A STOCK INSURANCE COMPANY

POLICYHOLDER DISCLOSURE NOTICE MANDATORY AVAILABILITY OF TERRORISM INSURANCE COVERAGE

You are hereby notified that under the Terrorism Risk Insurance Act, as amended, we as a participating insurance company must make available, in all of our insurance policies, coverage for losses arising out of acts of terrorism as defined by the Act. Please refer to the reverse side of this notice for more information on the Terrorism Risk Insurance Act, as amended, and a definition of covered acts of terrorism.

Under the Terrorism Risk Insurance Act, as amended, insurance companies are required to make terrorism coverage available on all policies issued or renewed.

Your policy excludes coverage for certified acts of terrorism.

Coverage for certified acts of terrorism is presently provided at no additional charge on Directors & Officers Liability. Lines of business not subject to the Terrorism Risk Insurance Act include: Commercial Auto, Commercial Crime and Professional Liability, except for Directors & Officers Liability.

You have the option to <u>accept</u> coverage for certified acts of terrorism for the renewal policy term that accompanies this notice. Simply check the box below indicating your desire to <u>accept</u> terrorism coverage, complete the requested information and mail the form to our office using the address shown on your policy declarations page.

SELECTION OF TERRORISM INSURANCE COVERAGE

Under federal law, you have **thirty (30) days** to consider this offer of coverage for terrorist acts and submit the premium required. If we do not receive a signed selection from you in 30 days, your policy will continue to exclude coverage for certified acts of terrorism, except for the above noted cases.

- The premium charge for certified acts of terrorism, other than for Workers' Compensation, is \$____46
 (This premium may change if coverage changes subsequent to the issuance of this notice.)
- A signed selection of certified acts of terrorism below will apply to all coverages on your policy.

Check Box	I hereby <u>accept</u> the additional premium for coverage for loss from certified acts of terrorism. I als understand that, if my policy includes workers' compensation coverage, certified acts of terroris cannot be excluded by law.

More information regarding the Terrorism Risk Insurance Act

You are hereby notified that under the Terrorism Risk Insurance Act, as amended, you have a right to purchase insurance coverage for losses arising out of acts of terrorism. As defined in Section 102(1) of the Act: The term "act of terrorism" means any act or acts that is certified by the Secretary of the Treasury - in consultation with the Secretary of Homeland Security, and the Attorney General of the United States - to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property, or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of certain air carriers or vessels or the premises of a United States mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

You should know that where coverage is provided by this policy for losses resulting from certified acts of terrorism, such losses may be partially reimbursed by the United States Government under a formula established by federal law. However, your policy may contain other exclusions which might affect your coverage, such as an exclusion for nuclear events. Under the formula, the United States Government generally reimburses 85% through 2015; 84% beginning on January 1, 2016; 83% beginning on January 1, 2017; 82% beginning on January 1, 2018; 81% beginning on January 1, 2019 and 80% beginning on January 1, 2020, of covered terrorism losses exceeding the statutorily established deductible paid by the insurance company providing the coverage. The premium charged for this coverage is shown on the declarations page for each line of business and does not include any charges for the portion of loss that may be covered by the federal government under the Act.

You should also know that the Terrorism Risk Insurance Act, as amended, contains a \$100 billion cap that limits the U.S. Government reimbursement as well as the insurers' liability for losses resulting from certified acts of terrorism when the amount of such losses in any one calendar year exceeds \$100 billion. If the aggregate insured losses for all insurers exceed \$100 billion, your coverage may be reduced.
