DISCLOSURE FORM CLAIMS-MADE POLICY

IMPORTANT NOTICE TO POLICYHOLDER

THIS DISCLOSURE FORM IS NOT YOUR POLICY. IT DESCRIBES SOME OF THE MAJOR FEATURES OF OUR CLAIMS-MADE POLICY FORM. READ YOUR POLICY CAREFULLY TO DETERMINE RIGHTS, DUTIES, AND WHAT IS AND IS NOT COVERED. ONLY THE PROVISIONS OF YOUR POLICY DETERMINE THE SCOPE OF YOUR INSURANCE PROTECTION.

YOUR POLICY

Your policy is a claims-made policy. It provides coverage only for injury or damage occurring after the policy retroactive date (if any) shown on your policy and the incident is reported to your insurer prior to the end of the policy period. Upon termination of your claims-made policy an extended reporting period option is available from your insurer.

There is no difference in the kind of injury or damage covered by occurrence or claims-made policies. Claims for damages may be assigned to different policy periods, depending on which type of policy you have.

If you make a claim under your claims-made policy, the claim must be a demand for damages by an injured party and does not have to be in writing. Under most circumstances, a claim is considered made when it is received and recorded by you or by us. Sometimes, a claim may be deemed made at an earlier time. This can happen when another claim for the same injury or damage has already been made, or when the claim is received and recorded during an extended reporting period.

PRINCIPAL BENEFITS

This policy provides for _____ (insert brief description of coverage) up to the maximum dollar limit specified in the policy.

The principal benefits and coverages are explained in detail in your claims-made policy. Please read it carefully and consult your insurance producer about any questions you might have.

EXCEPTIONS, REDUCTIONS AND LIMITATIONS

Your claims-made policy contains certain exceptions, reductions and limitations. Please read them carefully and consult your insurance producer about any questions you might have.

RENEWALS AND EXTENDED REPORTING PERIODS

Your claims-made policy has some unique features relating to renewal, extended reporting periods and coverage for events with long periods of potential liability exposure. If there is a retroactive date in your policy, no event or occurrence prior to that date will be covered under the policy even if reported during the policy period. It is therefore important for you to be certain that there are no gaps in your insurance coverage. These gaps can occur in several ways. Among the most common are:

1. If you switch from an occurrence policy to a claims-made policy, the retroactive date in your claims-made policy should be no later than the expiration date of the occurrence policy.
2. When replacing a claims-made policy with a claims-made policy, you should consider the following:
 - a. The retroactive date in the replacement policy should extend far enough back in time to cover any events with long periods of liability exposure, or
 - b. If the retroactive date in the replacement policy does not extend far enough back in time to cover events with long periods of liability exposure, you should consider purchasing extended reporting period coverage under the old claims-made policy.
3. If you replace this claims-made policy with an occurrence policy, you may not have insurance coverage for a claim arising during the period of claims-made coverage unless you have purchased an extended reporting period under the claims-made policy. Extended reporting period coverage must be offered to you by law for at least one year after the expiration of the claims-made policy at a premium not to exceed 200% of your last policy premium.

CAREFULLY REVIEW YOUR POLICY REGARDING THE AVAILABLE EXTENDED REPORTING PERIOD COVERAGE, INCLUDING THE LENGTH OF COVERAGE, THE PRICE AND THE TIME PERIOD DURING WHICH YOU MUST PURCHASE OR ACCEPT ANY OFFER FOR EXTENDED REPORTING PERIOD COVERAGE.

ADVISORY NOTICE TO POLICYHOLDERS WAR AND CYBER WAR EXCLUSION

This Notice does not form a part of your insurance contract. No coverage is provided by this Notice, nor can it be construed to replace any provisions of your policy (including its endorsements). If there is any conflict between this Notice and the policy (including its endorsements), the provisions of the policy (including its endorsements) shall prevail.

Carefully read your policy, including the endorsements attached to your policy.

This Notice provides information concerning the following endorsement, which may apply to your policy being issued by us:

War and Cyber War Exclusion

NOTICE TO POLICYHOLDERS

DISCLOSURE PURSUANT TO TERRORISM RISK INSURANCE ACT

This notification is attached to and made part of your policy in response to the disclosure requirements of the Terrorism Risk Insurance Act. This notification does not grant any coverage or change the terms and conditions of any coverage under the policy.

A. Disclosure of Premium

In accordance with the federal Terrorism Risk Insurance Act, we are required to provide you with a notice disclosing the portion of your premium, if any, attributable to coverage for terrorist acts certified under the Terrorism Risk Insurance Act. The portion of your premium attributable to such coverage is shown in the policy Declarations.

B. Disclosure of Federal Participation In Payment Of Terrorism Losses

The United States Government, Department of the Treasury, will pay a share of terrorism losses insured under the federal program. The federal share equals a percentage of that portion of the amount of such insured losses that exceeds the applicable insurer retention.

Federal share of terrorism losses:

85% for calendar year 2015
84% for calendar year 2016
83% for calendar year 2017
82% for calendar year 2018
81% for calendar year 2019
80% for calendar year 2020

However, if aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a calendar year, the Treasury shall not make any payment for any portion of the amount of such losses that exceeds \$100 billion.

C. Cap on Insurer Participation In Payment Of Terrorism Losses

If aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a calendar year, and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

D. Definition of Terrorism

Coverage for acts of terrorism is included in your policy. You are hereby notified that under the Terrorism Risk Insurance Act, as amended in 2015, the definition of "act of terrorism" has changed. As defined in Section 102(1) of the Act, the term "act of terrorism" means:

- Any act or acts that are certified by the Secretary of the Treasury – in consultation with the Secretary of Homeland Security, and the Attorney General of the United States – to be an act of terrorism;
- To be a violent act or an act that is dangerous to human life, property, or infrastructure;

- To have resulted in damage within the United States, or outside the United States in the case of certain air carriers or vessels or the premises of a United States mission;
- And to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

Under your coverage, any losses resulting from certified acts of terrorism may be partially reimbursed by the United States Government under a formula established by the Terrorism Risk Insurance Act, as amended. However, your policy may contain other exclusions which might affect your coverage, such as an exclusion for nuclear events.

NOTICE TO POLICYHOLDERS REGARDING NUCLEAR, BIOLOGICAL, CHEMICAL, OR RADIOLOGICAL EXCLUSION

Coverage for some acts of terrorism is included in your policy, as defined in Section 102(1) of the Terrorism Risk Insurance Acts. An act of terrorism could involve Nuclear (including radiation or radioactive contamination) or pathogenic or poisonous Biological or Chemical materials. An example of this would be the release of anthrax spores.

Your previous policy included a Nuclear exclusion (a mandatory form attached to all policies) and Pollution exclusions (mandatory coverage language) to exclude terrorism loss that was caused by nuclear, chemical or radiological means. There may have been a question of whether a biological event would be considered a pollutant and therefore excluded by the pollution exclusion.

Due to our reinsurance contracts containing an NBCR (Nuclear, Biological, Chemical, or Radiological) exclusion, your renewal policy now contains an NBCR exclusion, which makes it clear we will not cover any acts involving nuclear, biological, chemical or radiological terrorism.

Although we have chosen to exclude NBCR, we are still providing you with terrorism coverage for other acts.

A. Cap On Certified Terrorism Losses

"Certified act of terrorism" means an act that is certified by the Secretary of the Treasury, in accordance with the provisions of the federal Terrorism Risk Insurance Act, to be an act of terrorism pursuant to such Act. The criteria contained in the Terrorism Risk Insurance Act for a "certified act of terrorism" include the following:

2. The act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

If aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a calendar year and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

B. Application Of Exclusions

B. The following exclusion is added:

LIMITED EXCLUSION OF CERTIFIED ACTS OF TERRORISM

We will not pay for loss or damage caused directly or indirectly by a "certified act of terrorism". Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss. But this exclusion applies only when one or more of the following are attributed to such act:

1. The terrorism is carried out by means of the dispersal or application of radioactive material, or through the use of a nuclear weapon or device that involves or produces a nuclear reaction, nuclear radiation or radioactive contamination; or
2. Radioactive material is released, and it appears that one purpose of the terrorism was to release such material; or

3. The terrorism is carried out by means of the dispersal or application of pathogenic or poisonous biological or chemical material; or
4. Pathogenic or poisonous biological or chemical material is released, and it appears that one purpose of the terrorism was to release such material.

When this terrorism exclusion applies in accordance with the terms of Paragraph **B.1.** or **B.2.**, the terrorism exclusion applies without regard to the Nuclear Hazard Exclusion in this Coverage Part or Policy.

C. Exception Covering Certain Fire Losses

The following exception to the exclusion in Paragraph **B.** applies only if indicated and as indicated in the Schedule of this endorsement, Declarations or Change Endorsement.

If a "certified act of terrorism" excluded under Paragraph **B.** results in fire, we will pay for the loss or damage caused by that fire, subject to all applicable policy provisions including the Limit of Insurance on the affected property. Such coverage for fire applies only to direct loss or damage by fire to Covered Property. Therefore, for example, the coverage does not apply to insurance provided under Business Income and/or Extra Expense coverage forms or endorsements that apply to those coverage forms, or to the Legal Liability Coverage Form or the Leasehold Interest Coverage Form.

D. Cap On Certified Terrorism Losses

The following limitation applies to coverage for any one or more "certified acts of terrorism" that are not excluded by the terms of the exclusion in Paragraph **B.** and to any loss or damage that is covered and to which the exception in Paragraph **C.** applies:

If aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a calendar year and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

This Paragraph, **D.**, does not apply to insurance provided under the Crime And Fidelity Coverage Part.

E. Application Of Exclusions

The terms and limitations of any terrorism exclusion, or the non-applicability or omission of a terrorism exclusion, do not serve to create coverage for any loss which would otherwise be excluded under this Coverage Part or Policy, such as losses excluded by the War And Military Action Exclusion.

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy, the words "you" and "your" refer to the Named Insured shown in the Declarations. The words "we", "us" and "our" refer to the company providing this insurance.

A. Coverage

We will pay for direct physical loss of or damage to Covered Property at the premises described in the Declarations caused by or resulting from any Covered Cause of Loss.

1. Covered Property

Covered Property, as used in this Coverage Part, means the type of property described in this section, **A.1.**, and limited in **A.2.** Property Not Covered, if a Limit Of Insurance is shown in the Declarations for that type of property.

a. Building, meaning the building or structure described in the Declarations, including:

- (1) Completed additions;
- (2) Fixtures, outside of individual units, including outdoor fixtures;
- (3) Permanently installed:
 - (a) Machinery; and
 - (b) Equipment;
- (4) Personal property owned by you that is used to maintain or service the building or structure or its premises, including:
 - (a) Fire-extinguishing equipment;
 - (b) Outdoor furniture;
 - (c) Floor coverings; and
 - (d) Appliances used for refrigerating, ventilating, cooking, dishwashing or laundering that are not contained within individual units;
- (5) If not covered by other insurance:
 - (a) Additions under construction, alterations and repairs to the building or structure;
 - (b) Materials, equipment, supplies, and temporary structures, on or within 100 feet of the described premises, used for making additions, alterations or repairs to the building or structure; and
- (6) Any of the following types of property contained within a unit, regardless of ownership, if your Condominium Association Agreement requires you to insure it:
 - (a) Fixtures, improvements and alterations that are a part of the building or structure; and
 - (b) Appliances, such as those used for refrigerating, ventilating, cooking, dishwashing, laundering, security or housekeeping.

But Building does not include personal property owned by, used by or in the care, custody or control of a unit-owner except for personal property listed in Paragraph **A.1.a.(6)** above.

b. Your Business Personal Property located in or on the building or structure described in the Declarations or in the open (or in a vehicle) within 100 feet of the described premises, consisting of the following:

- (1) Personal property owned by you or owned indivisibly by all unit-owners;
- (2) Your interest in the labor, materials or services furnished or arranged by you on personal property of others; and
- (3) Leased personal property for which you have a contractual responsibility to insure, unless otherwise provided for under Personal Property Of Others.

But Your Business Personal Property does not include personal property owned only by a unit-owner.

c. Personal Property Of Others that is:

- (1) In your care, custody or control; and
- (2) Located in or on the building or structure described in the Declarations or in the open (or in a vehicle) within 100 feet of the described premises.

However, our payment for loss of or damage to personal property of others will only be for the account of the owner of the property.

2. Property Not Covered

Covered Property does not include:

- a. Accounts, bills, currency, food stamps or other evidences of debt, money, notes or securities. Lottery tickets held for sale are not securities;
- b. Animals, unless owned by others and boarded by you;
- c. Automobiles held for sale;
- d. Bridges, roadways, walks, patios or other paved surfaces;
- e. Contraband, or property in the course of illegal transportation or trade;
- f. The cost of excavations, grading, backfilling or filling;
- g. Foundations of buildings, structures, machinery or boilers if their foundations are below:
 - (1) The lowest basement floor; or
 - (2) The surface of the ground if there is no basement;
- h. Land (including land on which the property is located), water, growing crops or lawns (other than lawns which are part of a vegetated roof);
- i. Personal property while airborne or waterborne;
- j. Bulkheads, pilings, piers, wharves or docks;
- k. Property that is covered under this or any other policy in which it is more specifically described, except for the excess of the amount due (whether you can collect on it or not) from that other insurance;
- l. Retaining walls that are not part of a building;
- m. Underground pipes, flues or drains;
- n. Electronic data, except as provided under the Additional Coverage, Electronic Data. Electronic data means information, facts or computer programs stored as or on, created or used on, or transmitted to or from computer software (including systems and applications software), on hard or floppy disks, CD-ROMs, tapes, drives, cells, data processing devices or any other repositories of computer software which are used with electronically controlled equipment. The term computer programs, referred to in the foregoing description of electronic data, means a set of related electronic instructions which direct the operations and functions of a computer or device connected to it, which enable the computer or device to receive, process, store, retrieve or send data. This paragraph, **n.**, does not apply to electronic data which is integrated in and operates or controls the building's elevator, lighting, heating, ventilation, air conditioning or security system;
- o. The cost to replace or restore the information on valuable papers and records, including those which exist as electronic data. Valuable papers and records include but are not limited to proprietary information, books of account, deeds, manuscripts, abstracts, drawings and card index systems. Refer to the Coverage Extension for Valuable Papers And Records (Other Than Electronic Data) for limited coverage for valuable papers and records other than those which exist as electronic data;
- p. Vehicles or self-propelled machines (including aircraft or watercraft) that:
 - (1) Are licensed for use on public roads; or
 - (2) Are operated principally away from the described premises.

This paragraph does not apply to:

- (a) Vehicles or self-propelled machines or autos you manufacture or warehouse;
- (b) Vehicles or self-propelled machines, other than autos, you hold for sale;
- (c) Rowboats or canoes out of water at the described premises; or
- (d) Trailers, but only to the extent provided for in the Coverage Extension for Non-owned Detached Trailers; or

q. The following property while outside of buildings:

- (1) Grain, hay, straw or other crops; or
- (2) Fences, radio or television antennas (including satellite dishes) and their lead-in wiring, masts or towers, trees, shrubs or plants (other than trees, shrubs or plants which are "stock" or are part of a vegetated roof), all except as provided in the Coverage Extensions.

3. Covered Causes Of Loss

See applicable Causes Of Loss form as shown in the Declarations.

4. Additional Coverages

a. Debris Removal

- (1) Subject to Paragraphs (2), (3) and (4), we will pay your expense to remove debris of Covered Property and other debris that is on the described premises, when such debris is caused by or results from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date of direct physical loss or damage.
- (2) Debris Removal does not apply to costs to:
 - (a) Remove debris of property of yours that is not insured under this policy, or property in your possession that is not Covered Property;
 - (b) Remove any property that is Property Not Covered, including property addressed under the Outdoor Property Coverage Extension;
 - (c) Remove property of others of a type that would not be Covered Property under this Coverage Form;
 - (d) Remove deposits of mud or earth from the grounds of the described premises;
 - (e) Extract "pollutants" from land or water; or
 - (f) Remove, restore or replace polluted land or water.
- (3) Subject to the exceptions in Paragraph (4), the following provisions apply:
 - (a) The most we will pay for the total of direct physical loss or damage plus debris removal expense is the Limit of Insurance applicable to the Covered Property that has sustained loss or damage.
 - (b) Subject to (a) above, the amount we will pay for debris removal expense is limited to 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage. However, if no Covered Property has sustained direct physical loss or damage, the most we will pay for removal of debris of other property (if such removal is covered under this Additional Coverage) is \$5,000 at each location.
- (4) We will pay up to an additional \$25,000 for debris removal expense, for each location, in any one occurrence of physical loss or damage to Covered Property, if one or both of the following circumstances apply:
 - (a) The total of the actual debris removal expense plus the amount we pay for direct physical loss or damage exceeds the Limit of Insurance on the Covered Property that has sustained loss or damage.
 - (b) The actual debris removal expense exceeds 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage.

Therefore, if (4)(a) and/or (4)(b) applies, our total payment for direct physical loss or damage and debris removal expense may reach but will never exceed the Limit of Insurance on the Covered Property that has sustained loss or damage, plus \$25,000.

(5) Examples

The following examples assume that there is no Coinsurance penalty.

Example 1

Limit of Insurance:	\$ 90,000
Amount of Deductible:	\$ 500
Amount of Loss:	\$ 50,000
Amount of Loss Payable:	\$ 49,500
	(\$50,000 – \$500)
Debris Removal Expense:	\$ 10,000
Debris Removal Expense Payable:	\$ 10,000

(\$10,000 is 20% of \$50,000.)

The debris removal expense is less than 25% of the sum of the loss payable plus the deductible. The sum of the loss payable and the debris removal expense (\$49,500 + \$10,000 = \$59,500) is less than the Limit of Insurance. Therefore, the full amount of debris removal expense is payable in accordance with the terms of Paragraph **(3)**.

Example 2

Limit of Insurance:	\$ 90,000
Amount of Deductible:	\$ 500
Amount of Loss:	\$ 80,000
Amount of Loss Payable:	\$ 79,500
	(\$80,000 – \$500)
Debris Removal Expense:	\$ 40,000
Debris Removal Expense Payable	
Basic Amount:	\$ 10,500
Additional Amount:	\$ 25,000

The basic amount payable for debris removal expense under the terms of Paragraph **(3)** is calculated as follows: \$80,000 (\$79,500 + \$500) x .25 = \$20,000, capped at \$10,500. The cap applies because the sum of the loss payable (\$79,500) and the basic amount payable for debris removal expense (\$10,500) cannot exceed the Limit of Insurance (\$90,000).

The additional amount payable for debris removal expense is provided in accordance with the terms of Paragraph **(4)**, because the debris removal expense (\$40,000) exceeds 25% of the loss payable plus the deductible (\$40,000 = 50% of \$80,000), and because the sum of the loss payable and debris removal expense (\$79,500 + \$40,000 = \$119,500) would exceed the Limit of Insurance (\$90,000). The additional amount of covered debris removal expense is \$25,000, the maximum payable under Paragraph **(4)**. Thus, the total payable for debris removal expense in this example is \$35,500; \$4,500 of the debris removal expense is not covered.

b. Preservation Of Property

If it is necessary for you to move Covered Property from the described premises to preserve it from loss or damage by a Covered Cause of Loss, we will pay for any direct physical loss or damage to that property:

- (1) While it is being moved or while temporarily stored at another location; and
- (2) Only if the loss or damage occurs within 30 days after the property is first moved.

c. Fire Department Service Charge

When the fire department is called to save or protect Covered Property from a Covered Cause of Loss, we will pay up to \$1,000 for service at each premises described in the Declarations unless a higher limit is shown in the Declarations. Such limit is the most we will pay regardless of the number of responding fire departments or fire units, and regardless of the number or type of services performed.

This Additional Coverage applies to your liability for fire department service charges:

- (1) Assumed by contract or agreement prior to loss; or
- (2) Required by local ordinance.

No Deductible applies to this Additional Coverage.

d. Pollutant Clean-up And Removal

We will pay your expense to extract "pollutants" from land or water at the described premises if the discharge, dispersal, seepage, migration, release or escape of the "pollutants" is caused by or results from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date on which the Covered Cause of Loss occurs.

This Additional Coverage does not apply to costs to test for, monitor or assess the existence, concentration or effects of "pollutants". But we will pay for testing which is performed in the course of extracting the "pollutants" from the land or water.

The most we will pay under this Additional Coverage for each described premises is \$10,000 for the sum of all covered expenses arising out of Covered Causes of Loss occurring during each separate 12-month period of this policy.

e. Increased Cost Of Construction

- (1)** This Additional Coverage applies only to buildings to which the Replacement Cost Optional Coverage applies.
- (2)** In the event of damage by a Covered Cause of Loss to a building that is Covered Property, we will pay the increased costs incurred to comply with the minimum standards of an ordinance or law in the course of repair, rebuilding or replacement of damaged parts of that property, subject to the limitations stated in **e.(3)** through **e.(9)** of this Additional Coverage.
- (3)** The ordinance or law referred to in **e.(2)** of this Additional Coverage is an ordinance or law that regulates the construction or repair of buildings or establishes zoning or land use requirements at the described premises and is in force at the time of loss.
- (4)** Under this Additional Coverage, we will not pay any costs due to an ordinance or law that:
 - (a)** You were required to comply with before the loss, even when the building was undamaged; and
 - (b)** You failed to comply with.
- (5)** Under this Additional Coverage, we will not pay for:
 - (a)** The enforcement of or compliance with any ordinance or law which requires demolition, repair, replacement, reconstruction, remodeling or remediation of property due to contamination by "pollutants" or due to the presence, growth, proliferation, spread or any activity of "fungus", wet or dry rot or bacteria; or
 - (b)** Any costs associated with the enforcement of or compliance with an ordinance or law which requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of "pollutants", "fungus", wet or dry rot or bacteria.
- (6)** The most we will pay under this Additional Coverage, for each described building insured under this Coverage Form, is \$10,000 or 5% of the Limit of Insurance applicable to that building, whichever is less. If a damaged building is covered under a blanket Limit of Insurance which applies to more than one building or item of property, then the most we will pay under this Additional Coverage, for that damaged building, is the lesser of \$10,000 or 5% times the value of the damaged building as of the time of loss times the applicable Coinsurance percentage.

The amount payable under this Additional Coverage is additional insurance.

- (7)** With respect to this Additional Coverage:
 - (a)** We will not pay for the Increased Cost of Construction:
 - (i)** Until the property is actually repaired or replaced, at the same or another premises; and
 - (ii)** Unless the repair or replacement is made as soon as reasonably possible after the loss or damage, not to exceed two years. We may extend this period in writing during the two years.
 - (b)** If the building is repaired or replaced at the same premises, or if you elect to rebuild at another premises, the most we will pay for the Increased Cost of Construction, subject to the provisions of **e.(6)** of this Additional Coverage, is the increased cost of construction at the same premises.
 - (c)** If the ordinance or law requires relocation to another premises, the most we will pay for the Increased Cost of Construction, subject to the provisions of **e.(6)** of this Additional Coverage, is the increased cost of construction at the new premises.
- (8)** This Additional Coverage is not subject to the terms of the Ordinance Or Law Exclusion to the extent that such Exclusion would conflict with the provisions of this Additional Coverage.
- (9)** The costs addressed in the Loss Payment and Valuation Conditions and the Replacement Cost

Optional Coverage, in this Coverage Form, do not include the increased cost attributable to enforcement of or compliance with an ordinance or law. The amount payable under this Additional Coverage, as stated in **e.(6)** of this Additional Coverage, is not subject to such limitation.

f. Electronic Data

- (1) Under this Additional Coverage, electronic data has the meaning described under Property Not Covered, Electronic Data. This Additional Coverage does not apply to electronic data which is integrated in and operates or controls the building's elevator, lighting, heating, ventilation, air conditioning or security system.
- (2) Subject to the provisions of this Additional Coverage, we will pay for the cost to replace or restore electronic data which has been destroyed or corrupted by a Covered Cause of Loss. To the extent that electronic data is not replaced or restored, the loss will be valued at the cost of replacement of the media on which the electronic data was stored, with blank media of substantially identical type.
- (3) The Covered Causes of Loss applicable to Your Business Personal Property apply to this Additional Coverage, Electronic Data, subject to the following:
 - (a) If the Causes Of Loss – Special Form applies, coverage under this Additional Coverage, Electronic Data, is limited to the "specified causes of loss" as defined in that form and Collapse as set forth in that form.
 - (b) If the Causes Of Loss – Broad Form applies, coverage under this Additional Coverage, Electronic Data, includes Collapse as set forth in that form.
 - (c) If the Causes Of Loss form is endorsed to add a Covered Cause of Loss, the additional Covered Cause of Loss does not apply to the coverage provided under this Additional Coverage, Electronic Data.
 - (d) The Covered Causes of Loss include a virus, harmful code or similar instruction introduced into or enacted on a computer system (including electronic data) or a network to which it is connected, designed to damage or destroy any part of the system or disrupt its normal operation. But there is no coverage for loss or damage caused by or resulting from manipulation of a computer system (including electronic data) by any employee, including a temporary or leased employee, or by an entity retained by you or for you to inspect, design, install, modify, maintain, repair or replace that system.
- (4) The most we will pay under this Additional Coverage, Electronic Data, is \$2,500 (unless a higher limit is shown in the Declarations) for all loss or damage sustained in any one policy year, regardless of the number of occurrences of loss or damage or the number of premises, locations or computer systems involved. If loss payment on the first occurrence does not exhaust this amount, then the balance is available for subsequent loss or damage sustained in but not after that policy year. With respect to an occurrence which begins in one policy year and continues or results in additional loss or damage in a subsequent policy year(s), all loss or damage is deemed to be sustained in the policy year in which the occurrence began.

5. Coverage Extensions

Except as otherwise provided, the following Extensions apply to property located in or on the building described in the Declarations or in the open (or in a vehicle) within 100 feet of the described premises.

If a Coinsurance percentage of 80% or more is shown in the Declarations, you may extend the insurance provided by this Coverage Part as follows:

a. Newly Acquired Or Constructed Property

(1) Buildings

You may extend the insurance that applies to Building to apply to:

- (a) Your new buildings while being built on the described premises; and
- (b) Buildings you acquire at locations, other than the described premises, intended for:
 - (i) Similar use as the building described in the Declarations; or
 - (ii) Use as a warehouse.

The most we will pay for loss or damage under this Extension is \$250,000 at each building.

(2) Your Business Personal Property

- (a) If this policy covers Your Business Personal Property, you may extend that insurance to apply to:

- (i) Business personal property, including such property that you newly acquire, at any location you acquire other than at fairs, trade shows or exhibitions; or
- (ii) Business personal property, including such property that you newly acquire, located at your newly constructed or acquired buildings at the location described in the Declarations.

The most we will pay for loss or damage under this Extension is \$100,000 at each building.

(b) This Extension does not apply to:

- (i) Personal property of others that is temporarily in your possession in the course of installing or performing work on such property; or
- (ii) Personal property of others that is temporarily in your possession in the course of your manufacturing or wholesaling activities.

(3) Period Of Coverage

With respect to insurance provided under this Coverage Extension for Newly Acquired Or Constructed Property, coverage will end when any of the following first occurs:

- (a) This policy expires;
- (b) 30 days expire after you acquire the property or begin construction of that part of the building that would qualify as covered property; or
- (c) You report values to us.

We will charge you additional premium for values reported from the date you acquire the property or begin construction of that part of the building that would qualify as covered property.

b. Personal Effects And Property Of Others

You may extend the insurance that applies to Your Business Personal Property to apply to:

- (1) Personal effects owned by you, your officers, your partners or members, your managers or your employees. This Extension does not apply to loss or damage by theft.
- (2) Personal property of others in your care, custody or control.

The most we will pay for loss or damage under this Extension is \$2,500 at each described premises. Our payment for loss of or damage to personal property of others will only be for the account of the owner of the property.

c. Valuable Papers And Records (Other Than Electronic Data)

- (1) You may extend the insurance that applies to Your Business Personal Property to apply to the cost to replace or restore the lost information on valuable papers and records for which duplicates do not exist. But this Extension does not apply to valuable papers and records which exist as electronic data. Electronic data has the meaning described under Property Not Covered, Electronic Data.
- (2) If the Causes Of Loss – Special Form applies, coverage under this Extension is limited to the "specified causes of loss" as defined in that form and Collapse as set forth in that form.
- (3) If the Causes Of Loss – Broad Form applies, coverage under this Extension includes Collapse as set forth in that form.
- (4) Under this Extension, the most we will pay to replace or restore the lost information is \$2,500 at each described premises, unless a higher limit is shown in the Declarations. Such amount is additional insurance. We will also pay for the cost of blank material for reproducing the records (whether or not duplicates exist) and (when there is a duplicate) for the cost of labor to transcribe or copy the records. The costs of blank material and labor are subject to the applicable Limit of Insurance on Your Business Personal Property and, therefore, coverage of such costs is not additional insurance.

d. Property Off-premises

- (1) You may extend the insurance provided by this Coverage Form to apply to your Covered Property while it is away from the described premises, if it is:
 - (a) Temporarily at a location you do not own, lease or operate;
 - (b) In storage at a location you lease, provided the lease was executed after the beginning of the current policy term; or
 - (c) At any fair, trade show or exhibition.
- (2) This Extension does not apply to property:

- (a) In or on a vehicle; or
 - (b) In the care, custody or control of your salespersons, unless the property is in such care, custody or control at a fair, trade show or exhibition.
- (3) The most we will pay for loss or damage under this Extension is \$10,000.

e. Outdoor Property

You may extend the insurance provided by this Coverage Form to apply to your outdoor fences, radio and television antennas (including satellite dishes), trees, shrubs and plants (other than trees, shrubs or plants which are "stock" or are part of a vegetated roof), including debris removal expense, caused by or resulting from any of the following causes of loss if they are Covered Causes of Loss:

- (1) Fire;
- (2) Lightning;
- (3) Explosion;
- (4) Riot or Civil Commotion; or
- (5) Aircraft.

The most we will pay for loss or damage under this Extension is \$1,000, but not more than \$250 for any one tree, shrub or plant. These limits apply to any one occurrence, regardless of the types or number of items lost or damaged in that occurrence.

Subject to all aforementioned terms and limitations of coverage, this Coverage Extension includes the expense of removing from the described premises the debris of trees, shrubs and plants which are the property of others.

f. Non-owned Detached Trailers

- (1) You may extend the insurance that applies to Your Business Personal Property to apply to loss or damage to trailers that you do not own, provided that:
 - (a) The trailer is used in your business;
 - (b) The trailer is in your care, custody or control at the premises described in the Declarations; and
 - (c) You have a contractual responsibility to pay for loss or damage to the trailer.
- (2) We will not pay for any loss or damage that occurs:
 - (a) While the trailer is attached to any motor vehicle or motorized conveyance, whether or not the motor vehicle or motorized conveyance is in motion;
 - (b) During hitching or unhitching operations, or when a trailer becomes accidentally unhitched from a motor vehicle or motorized conveyance.
- (3) The most we will pay for loss or damage under this Extension is \$5,000, unless a higher limit is shown in the Declarations.
- (4) This insurance is excess over the amount due (whether you can collect on it or not) from any other insurance covering such property.

g. Business Personal Property Temporarily In Portable Storage Units

- (1) You may extend the insurance that applies to Your Business Personal Property to apply to such property while temporarily stored in a portable storage unit (including a detached trailer) located within 100 feet of the described premises.
- (2) If the applicable Covered Causes of Loss form or endorsement contains a limitation or exclusion concerning loss or damage from sand, dust, sleet, snow, ice or rain to property in a structure, such limitation or exclusion also applies to property in a portable storage unit.
- (3) Coverage under this Extension:
 - (a) Will end 90 days after the business personal property has been placed in the storage unit;
 - (b) Does not apply if the storage unit itself has been in use at the described premises for more than 90 consecutive days, even if the business personal property has been stored there for 90 or fewer days as of the time of loss or damage.
- (4) Under this Extension, the most we will pay for the total of all loss or damage to business personal property is \$10,000 (unless a higher limit is indicated in the Declarations for such Extension) regardless of the number of storage units. Such limit is part of, not in addition to, the applicable Limit of Insurance on Your Business Personal Property. Therefore, payment under this Extension will not increase the applicable Limit of Insurance on Your Business Personal Property.

(5) This Extension does not apply to loss or damage otherwise covered under this Coverage Form or any endorsement to this Coverage Form or policy, and does not apply to loss or damage to the storage unit itself.

Each of these Extensions is additional insurance unless otherwise indicated. The Additional Condition, Coinsurance, does not apply to these Extensions.

B. Exclusions And Limitations

See applicable Causes Of Loss form as shown in the Declarations.

C. Limits Of Insurance

The most we will pay for loss or damage in any one occurrence is the applicable Limit Of Insurance shown in the Declarations.

The most we will pay for loss or damage to outdoor signs, whether or not the sign is attached to a building, is \$2,500 per sign in any one occurrence.

The amounts of insurance stated in the following Additional Coverages apply in accordance with the terms of such coverages and are separate from the Limit(s) Of Insurance shown in the Declarations for any other coverage:

- 1. Fire Department Service Charge;
- 2. Pollutant Clean-up And Removal;
- 3. Increased Cost Of Construction; and
- 4. Electronic Data.

Payments under the Preservation Of Property Additional Coverage will not increase the applicable Limit of Insurance.

D. Deductible

In any one occurrence of loss or damage (hereinafter referred to as loss), we will first reduce the amount of loss if required by the Coinsurance Condition or the Agreed Value Optional Coverage. If the adjusted amount of loss is less than or equal to the Deductible, we will not pay for that loss. If the adjusted amount of loss exceeds the Deductible, we will then subtract the Deductible from the adjusted amount of loss and will pay the resulting amount or the Limit of Insurance, whichever is less.

When the occurrence involves loss to more than one item of Covered Property and separate Limits of Insurance apply, the losses will not be combined in determining application of the Deductible. But the Deductible will be applied only once per occurrence.

Example 1

(This example assumes there is no Coinsurance penalty.)

Deductible:	\$	250
Limit of Insurance – Building 1:	\$	60,000
Limit of Insurance – Building 2:	\$	80,000
Loss to Building 1:	\$	60,100
Loss to Building 2:	\$	90,000

The amount of loss to Building 1 (\$60,100) is less than the sum (\$60,250) of the Limit of Insurance applicable to Building 1 plus the Deductible.

The Deductible will be subtracted from the amount of loss in calculating the loss payable for Building 1:

\$	60,100
<u>–</u>	<u>250</u>
\$	59,850 Loss Payable – Building 1

The Deductible applies once per occurrence and therefore is not subtracted in determining the amount of loss payable for Building 2. Loss payable for Building 2 is the Limit of Insurance of \$80,000.

Total amount of loss payable: \$59,850 + \$80,000 = \$139,850

Example 2

(This example, too, assumes there is no Coinsurance penalty.)

The Deductible and Limits of Insurance are the same as those in Example 1.

Loss to Building 1: \$ 70,000

(Exceeds Limit of Insurance plus Deductible)

Loss to Building 2: \$ 90,000

(Exceeds Limit of Insurance plus Deductible)

Loss Payable – Building 1: \$ 60,000

(Limit of Insurance)

Loss Payable – Building 2: \$ 80,000

(Limit of Insurance)

Total amount of loss payable: \$ 140,000

E. Loss Conditions

The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions:

1. Abandonment

There can be no abandonment of any property to us.

2. Appraisal

If we and you disagree on the value of the property or the amount of loss, either may make written demand for an appraisal of the loss. In this event, each party will select a competent and impartial appraiser. The two appraisers will select an umpire. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the value of the property and amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

- a. Pay its chosen appraiser; and
- b. Bear the other expenses of the appraisal and umpire equally.

If there is an appraisal, we will still retain our right to deny the claim.

3. Duties In The Event Of Loss Or Damage

a. You must see that the following are done in the event of loss or damage to Covered Property:

- (1) Notify the police if a law may have been broken.
- (2) Give us prompt notice of the loss or damage. Include a description of the property involved.
- (3) As soon as possible, give us a description of how, when and where the loss or damage occurred.
- (4) Take all reasonable steps to protect the Covered Property from further damage, and keep a record of your expenses necessary to protect the Covered Property, for consideration in the settlement of the claim. This will not increase the Limit of Insurance. However, we will not pay for any subsequent loss or damage resulting from a cause of loss that is not a Covered Cause of Loss. Also, if feasible, set the damaged property aside and in the best possible order for examination.
- (5) At our request, give us complete inventories of the damaged and undamaged property. Include quantities, costs, values and amount of loss claimed.
- (6) As often as may be reasonably required, permit us to inspect the property proving the loss or damage and examine your books and records.
Also, permit us to take samples of damaged and undamaged property for inspection, testing and analysis, and permit us to make copies from your books and records.
- (7) Send us a signed, sworn proof of loss containing the information we request to investigate the claim. You must do this within 60 days after our request. We will supply you with the necessary forms.
- (8) Cooperate with us in the investigation or settlement of the claim.

b. We may examine any insured under oath, while not in the presence of any other insured and at such times as may be reasonably required, about any matter relating to this insurance or the claim, including an insured's books and records. In the event of an examination, an insured's answers must be signed.

4. Loss Payment

- a. In the event of loss or damage covered by this Coverage Form, at our option, we will either:
- (1) Pay the value of lost or damaged property;
 - (2) Pay the cost of repairing or replacing the lost or damaged property, subject to **b.** below;
 - (3) Take all or any part of the property at an agreed or appraised value; or
 - (4) Repair, rebuild or replace the property with other property of like kind and quality, subject to **b.** below.

We will determine the value of lost or damaged property, or the cost of its repair or replacement, in accordance with the applicable terms of the Valuation Condition in this Coverage Form or any applicable provision which amends or supersedes the Valuation Condition.

- b. The cost to repair, rebuild or replace does not include the increased cost attributable to enforcement of or compliance with any ordinance or law regulating the construction, use or repair of any property.
- c. We will give notice of our intentions within 30 days after we receive the sworn proof of loss.
- d. We will not pay you more than your financial interest in the Covered Property.
- e. We may adjust losses with the owners of lost or damaged property if other than you. If we pay the owners, such payments will satisfy your claims against us for the owners' property. We will not pay the owners more than their financial interest in the Covered Property.
- f. We may elect to defend you against suits arising from claims of owners of property. We will do this at our expense.
- g. We will pay for covered loss or damage to Covered Property within 30 days after we receive the sworn proof of loss, if you have complied with all of the terms of this Coverage Part, and:
- (1) We have reached agreement with you on the amount of loss; or
 - (2) An appraisal award has been made.

If you name an insurance trustee, we will adjust losses with you, but we will pay the insurance trustee. If we pay the trustee, the payments will satisfy your claims against us.

- h. A party wall is a wall that separates and is common to adjoining buildings that are owned by different parties. In settling covered losses involving a party wall, we will pay a proportion of the loss to the party wall based on your interest in the wall in proportion to the interest of the owner of the adjoining building. However, if you elect to repair or replace your building and the owner of the adjoining building elects not to repair or replace that building, we will pay you the full value of the loss to the party wall, subject to all applicable policy provisions including Limits of Insurance, the Valuation and Coinsurance Conditions and all other provisions of this Loss Payment Condition. Our payment under the provisions of this paragraph does not alter any right of subrogation we may have against any entity, including the owner or insurer of the adjoining building, and does not alter the terms of the Transfer Of Rights Of Recovery Against Others To Us Condition in this policy.

5. Recovered Property

If either you or we recover any property after loss settlement, that party must give the other prompt notice. At your option, the property will be returned to you. You must then return to us the amount we paid to you for the property. We will pay recovery expenses and the expenses to repair the recovered property, subject to the Limit of Insurance.

6. Unit-owner's Insurance

A unit-owner may have other insurance covering the same property as this insurance. This insurance is intended to be primary and not to contribute with such other insurance.

7. Vacancy

a. Description Of Terms

- (1) As used in this Vacancy Condition, the term building and the term vacant have the meanings set forth in **(1)(a)** and **(1)(b)** below:
 - (a)** When this policy is issued to a tenant, and with respect to that tenant's interest in Covered Property, building means the unit or suite rented or leased to the tenant. Such building is vacant when it does not contain enough business personal property to conduct customary operations.
 - (b)** When this policy is issued to the owner or general lessee of a building, building means the entire building. Such building is vacant unless at least 31% of its total square footage is:

- (i) Rented to a lessee or sublessee and used by the lessee or sublessee to conduct its customary operations; and/or
 - (ii) Used by the building owner to conduct customary operations.
- (2) Buildings under construction or renovation are not considered vacant.

b. Vacancy Provisions

If the building where loss or damage occurs has been vacant for more than 60 consecutive days before that loss or damage occurs:

- (1) We will not pay for any loss or damage caused by any of the following even if they are Covered Causes of Loss:
- (a) Vandalism;
 - (b) Sprinkler leakage, unless you have protected the system against freezing;
 - (c) Building glass breakage;
 - (d) Water damage;
 - (e) Theft; or
 - (f) Attempted theft.
- (2) With respect to Covered Causes of Loss other than those listed in **b.(1)(a)** through **b.(1)(f)** above, we will reduce the amount we would otherwise pay for the loss or damage by 15%.

8. Valuation

We will determine the value of Covered Property in the event of loss or damage as follows:

- a. At actual cash value as of the time of loss or damage, except as provided in **b.** and **c.** below.
- b. If the Limit of Insurance for Building satisfies the Additional Condition, Coinsurance, and the cost to repair or replace the damaged building property is \$2,500 or less, we will pay the cost of building repairs or replacement.

The cost of building repairs or replacement does not include the increased cost attributable to enforcement of or compliance with any ordinance or law regulating the construction, use or repair of any property. However, the following property will be valued at the actual cash value, even when attached to the building:

- (1) Awnings or floor coverings;
- (2) Appliances for refrigerating, ventilating, cooking, dishwashing or laundering; or
- (3) Outdoor equipment or furniture.

- c. Glass at the cost of replacement with safety-glazing material if required by law.

9. Waiver Of Rights Of Recovery

We waive our rights to recover payment from any unit-owner of the condominium that is shown in the Declarations.

F. Additional Conditions

The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions:

1. Coinsurance

If a Coinsurance percentage is shown in the Declarations, the following condition applies:

- a. We will not pay the full amount of any loss if the value of Covered Property at the time of loss times the Coinsurance percentage shown for it in the Declarations is greater than the Limit of Insurance for the property.

Instead, we will determine the most we will pay using the following steps:

- (1) Multiply the value of Covered Property at the time of loss by the Coinsurance percentage;
- (2) Divide the Limit of Insurance of the property by the figure determined in Step (1);
- (3) Multiply the total amount of loss, before the application of any deductible, by the figure determined in Step (2); and
- (4) Subtract the deductible from the figure determined in Step (3).

We will pay the amount determined in Step (4) or the Limit of Insurance, whichever is less. For the remainder,

you will either have to rely on other insurance or absorb the loss yourself.

Example 1 (Underinsurance)

When: The value of the property is: \$ 250,000
The Coinsurance percentage for it is: 80%
The Limit of Insurance for it is: \$ 100,000
The Deductible is: \$ 250
The amount of loss is: \$ 40,000

Step (1): \$250,000 x 80% = \$200,000

(the minimum amount of insurance to meet your Coinsurance requirements)

Step (2): \$100,000 ÷ \$200,000 = .50

Step (3): \$40,000 x .50 = \$20,000

Step (4): \$20,000 – \$250 = \$19,750

We will pay no more than \$19,750. The remaining \$20,250 is not covered.

Example 2 (Adequate Insurance)

When: The value of the property is: \$ 250,000
The Coinsurance percentage for it is: 80%
The Limit of Insurance for it is: \$ 200,000
The Deductible is: \$ 250
The amount of loss is: \$ 40,000

The minimum amount of insurance to meet your Coinsurance requirement is \$200,000 (\$250,000 x 80%). Therefore, the Limit of Insurance in this example is adequate and no penalty applies. We will pay no more than \$39,750 (\$40,000 amount of loss minus the deductible of \$250).

- b. If one Limit of Insurance applies to two or more separate items, this condition will apply to the total of all property to which the limit applies.

Example 3

When: The value of the property is:

Building at Location 1:	\$ 75,000
Building at Location 2:	\$ 100,000
Personal Property at Location 2:	\$ 75,000
	\$ 250,000

The Coinsurance percentage
for it is: 90%

The Limit of Insurance for
Buildings and Personal Property
at Locations 1 and 2 is: \$ 180,000

The Deductible is: \$ 1,000

The amount of loss is:

Building at Location 2:	\$ 30,000
Personal Property at Location 2:	\$ 20,000
	\$ 50,000

Step (1): $\$250,000 \times 90\% = \$225,000$

(the minimum amount of insurance to meet your Coinsurance requirements and to avoid the penalty shown below)

Step (2): $\$180,000 \div \$225,000 = .80$

Step (3): $\$50,000 \times .80 = \$40,000$

Step (4): $\$40,000 - \$1,000 = \$39,000$

We will pay no more than \$39,000. The remaining \$11,000 is not covered.

2. Mortgageholders

- a. The term mortgageholder includes trustee.
- b. We will pay for covered loss of or damage to buildings or structures to each mortgageholder shown in the Declarations in their order of precedence, as interests may appear.
- c. The mortgageholder has the right to receive loss payment even if the mortgageholder has started foreclosure or similar action on the building or structure.
- d. If we deny your claim because of your acts or because you have failed to comply with the terms of this Coverage Part, the mortgageholder will still have the right to receive loss payment if the mortgageholder:

- (1) Pays any premium due under this Coverage Part at our request if you have failed to do so;
- (2) Submits a signed, sworn proof of loss within 60 days after receiving notice from us of your failure to do so; and
- (3) Has notified us of any change in ownership, occupancy or substantial change in risk known to the mortgageholder.

All of the terms of this Coverage Part will then apply directly to the mortgageholder.

- e. If we pay the mortgageholder for any loss or damage and deny payment to you because of your acts or because you have failed to comply with the terms of this Coverage Part:

- (1) The mortgageholder's rights under the mortgage will be transferred to us to the extent of the amount we pay; and
- (2) The mortgageholder's right to recover the full amount of the mortgageholder's claim will not be impaired.

At our option, we may pay to the mortgageholder the whole principal on the mortgage plus any accrued interest. In this event, your mortgage and note will be transferred to us and you will pay your remaining mortgage debt to us.

- f. If we cancel this policy, we will give written notice to the mortgageholder at least:

- (1) 10 days before the effective date of cancellation if we cancel for your nonpayment of premium; or
- (2) 30 days before the effective date of cancellation if we cancel for any other reason.

- g. If we elect not to renew this policy, we will give written notice to the mortgageholder at least 10 days before the expiration date of this policy.

G. Optional Coverages

If shown as applicable in the Declarations, the following Optional Coverages apply separately to each item:

1. Agreed Value

- a. The Additional Condition, Coinsurance, does not apply to Covered Property to which this Optional Coverage applies. We will pay no more for loss of or damage to that property than the proportion that the Limit of Insurance under this Coverage Part for the property bears to the Agreed Value shown for it in the Declarations.
- b. If the expiration date for this Optional Coverage shown in the Declarations is not extended, the Additional Condition, Coinsurance, is reinstated and this Optional Coverage expires.
- c. The terms of this Optional Coverage apply only to loss or damage that occurs:
 - (1) On or after the effective date of this Optional Coverage; and

- (2) Before the Agreed Value expiration date shown in the Declarations or the policy expiration date, whichever occurs first.

2. Inflation Guard

- a. The Limit of Insurance for property to which this Optional Coverage applies will automatically increase by the annual percentage shown in the Declarations.
- b. The amount of increase will be:
- (1) The Limit of Insurance that applied on the most recent of the policy inception date, the policy anniversary date, or any other policy change amending the Limit of Insurance, times
 - (2) The percentage of annual increase shown in the Declarations, expressed as a decimal (example: 8% is .08), times
 - (3) The number of days since the beginning of the current policy year or the effective date of the most recent policy change amending the Limit of Insurance, divided by 365.

Example

If: The applicable Limit of Insurance is: \$ 100,000

The annual percentage increase is: 8%

The number of days since the

beginning of the policy year

(or last policy change) is: 146

The amount of increase is:

$\$100,000 \times .08 \times 146 \div 365 =$ \$ 3,200

3. Replacement Cost

- a. Replacement Cost (without deduction for depreciation) replaces Actual Cash Value in the Loss Condition, Valuation, of this Coverage Form.
- b. This Optional Coverage does not apply to:
- (1) Personal property of others;
 - (2) Contents of a residence; or
 - (3) Works of art, antiques or rare articles, including etchings, pictures, statuary, marbles, bronzes, porcelains and bric-a-brac.

Under the terms of this Replacement Cost Optional Coverage, personal property owned indivisibly by all unit-owners, and the property covered under Paragraph **A.1.a.(6)** of this Coverage Form, are not considered to be the personal property of others.

- c. You may make a claim for loss or damage covered by this insurance on an actual cash value basis instead of on a replacement cost basis. In the event you elect to have loss or damage settled on an actual cash value basis, you may still make a claim for the additional coverage this Optional Coverage provides if you notify us of your intent to do so within 180 days after the loss or damage.
- d. We will not pay on a replacement cost basis for any loss or damage:
- (1) Until the lost or damaged property is actually repaired or replaced; and
 - (2) Unless the repair or replacement is made as soon as reasonably possible after the loss or damage.
- e. We will not pay more for loss or damage on a replacement cost basis than the least of (1), (2) or (3), subject to f. below:
- (1) The Limit of Insurance applicable to the lost or damaged property;
 - (2) The cost to replace the lost or damaged property with other property:
 - (a) Of comparable material and quality; and
 - (b) Used for the same purpose; or
 - (3) The amount actually spent that is necessary to repair or replace the lost or damaged property.
- If a building is rebuilt at a new premises, the cost described in e.(2) above is limited to the cost which would have been incurred if the building had been rebuilt at the original premises.
- f. The cost of repair or replacement does not include the increased cost attributable to enforcement of or compliance with any ordinance or law regulating the construction, use or repair of any property.

4. Extension Of Replacement Cost To Personal Property Of Others

- a.** If the Replacement Cost Optional Coverage is shown as applicable in the Declarations, then this Extension may also be shown as applicable. If the Declarations show this Extension as applicable, then Paragraph **3.b.(1)** of the Replacement Cost Optional Coverage is deleted and all other provisions of the Replacement Cost Optional Coverage apply to replacement cost on personal property of others.
- b.** With respect to replacement cost on the personal property of others, the following limitation applies:
If an item(s) of personal property of others is subject to a written contract which governs your liability for loss or damage to that item(s), then valuation of that item(s) will be based on the amount for which you are liable under such contract, but not to exceed the lesser of the replacement cost of the property or the applicable Limit of Insurance.

COMMERCIAL PROPERTY CONDITIONS

This Coverage Part is subject to the following conditions, the Common Policy Conditions and applicable Loss Conditions and Additional Conditions in Commercial Property Coverage Forms.

A. CONCEALMENT, MISREPRESENTATION OR FRAUD

This Coverage Part is void in any case of fraud by you as it relates to this Coverage Part at any time. It is also void if you or any other insured, at any time, intentionally conceal or misrepresent a material fact concerning:

1. This Coverage Part;
2. The Covered Property;
3. Your interest in the Covered Property; or
4. A claim under this Coverage Part.

B. CONTROL OF PROPERTY

Any act or neglect of any person other than you beyond your direction or control will not affect this insurance.

The breach of any condition of this Coverage Part at any one or more locations will not affect coverage at any location where, at the time of loss or damage, the breach of condition does not exist.

C. INSURANCE UNDER TWO OR MORE COVERAGES

If two or more of this policy's coverages apply to the same loss or damage, we will not pay more than the actual amount of the loss or damage.

D. LEGAL ACTION AGAINST US

No one may bring a legal action against us under this Coverage Part unless:

1. There has been full compliance with all of the terms of this Coverage Part; and
2. The action is brought within 2 years after the date on which the direct physical loss or damage occurred.

E. LIBERALIZATION

If we adopt any revision that would broaden the coverage under this Coverage Part without additional premium within 45 days prior to or during the policy period, the broadened coverage will immediately apply to this Coverage Part.

F. NO BENEFIT TO BAILEE

No person or organization, other than you, having custody of Covered Property will benefit from this insurance.

G. OTHER INSURANCE

1. You may have other insurance subject to the same plan, terms, conditions and provisions as the insurance under this Coverage Part. If you do, we will pay our share of the covered loss or damage. Our share is the proportion that the applicable Limit of Insurance under this Coverage Part bears to the Limits of Insurance of all insurance covering on the same basis.
2. If there is other insurance covering same loss or damage, other than that described in 1. above, we will pay only for the amount of covered loss or damage in excess of the amount due from that other insurance, whether you can collect on it or not. But we will not pay more than the applicable Limit of Insurance.

H. POLICY PERIOD, COVERAGE TERRITORY

Under this Coverage Part:

1. We cover loss or damage commencing:
 - a. During the policy period shown in the Declarations; and
 - b. Within the coverage territory.
2. The coverage territory is:
 - a. The United States of America (including its territories and possessions);
 - b. Puerto Rico; and
 - c. Canada.

I. TRANSFER OF RIGHTS OF RECOVERY AGAINST OTHERS TO US

If any person or organization to or for whom we make payment under this Coverage Part has rights to recover damages from another, those rights are transferred to us to the extent of our payment. That person or organization must do everything necessary to secure our rights and must do nothing after loss to impair them. But you may waive your rights against another party in writing:

1. Prior to a loss to your Covered Property or Covered Income.
2. After a loss to your Covered Property or Covered Income only if, at time of loss, that party is one of the following:
 - a. Someone insured by this insurance;
 - b. A business firm:
 - 1) Owned or controlled by you; or
 - 2) That owns or controls you; or
 - c. Your tenant.

This will not restrict your insurance.

CAUSES OF LOSS – SPECIAL FORM

Words and phrases that appear in quotation marks have special meaning. Refer to Section **G. Definitions**.

A. Covered Causes Of Loss

When Special is shown in the Declarations, Covered Causes of Loss means direct physical loss unless the loss is excluded or limited in this policy.

B. Exclusions

1. We will not pay for loss or damage caused directly or indirectly by any of the following. Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss.

a. Ordinance Or Law

The enforcement of or compliance with any ordinance or law:

- (1) Regulating the construction, use or repair of any property; or
- (2) Requiring the tearing down of any property, including the cost of removing its debris.

This exclusion, Ordinance Or Law, applies whether the loss results from:

- (a) An ordinance or law that is enforced even if the property has not been damaged; or
- (b) The increased costs incurred to comply with an ordinance or law in the course of construction, repair, renovation, remodeling or demolition of property, or removal of its debris, following a physical loss to that property.

b. Earth Movement

- (1) Earthquake, including tremors and aftershocks and any earth sinking, rising or shifting related to such event;
- (2) Landslide, including any earth sinking, rising or shifting related to such event;
- (3) Mine subsidence, meaning subsidence of a man-made mine, whether or not mining activity has ceased;
- (4) Earth sinking (other than sinkhole collapse), rising or shifting including soil conditions which cause settling, cracking or other disarrangement of foundations or other parts of realty. Soil conditions include contraction, expansion, freezing, thawing, erosion, improperly compacted soil and the action of water under the ground surface.

But if Earth Movement, as described in **b.(1)** through **(4)** above, results in fire or explosion, we will pay for the loss or damage caused by that fire or explosion.

- (5) Volcanic eruption, explosion or effusion. But if volcanic eruption, explosion or effusion results in fire, building glass breakage or Volcanic Action, we will pay for the loss or damage caused by that fire, building glass breakage or Volcanic Action.

Volcanic Action means direct loss or damage resulting from the eruption of a volcano when the loss or damage is caused by:

- (a) Airborne volcanic blast or airborne shock waves;
- (b) Ash, dust or particulate matter; or
- (c) Lava flow.

With respect to coverage for Volcanic Action as set forth in **(5)(a)**, **(5)(b)** and **(5)(c)**, all volcanic

eruptions that occur within any 168-hour period will constitute a single occurrence.

Volcanic Action does not include the cost to remove ash, dust or particulate matter that does not cause direct physical loss or damage to the described property.

This exclusion applies regardless of whether any of the above, in Paragraphs (1) through (5), is caused by an act of nature or is otherwise caused.

c. Governmental Action

Seizure or destruction of property by order of governmental authority.

But we will pay for loss or damage caused by or resulting from acts of destruction ordered by governmental authority and taken at the time of a fire to prevent its spread, if the fire would be covered under this Coverage Part.

d. Nuclear Hazard

Nuclear reaction or radiation, or radioactive contamination, however caused.

But if nuclear reaction or radiation, or radioactive contamination, results in fire, we will pay for the loss or damage caused by that fire.

e. Utility Services

The failure of power, communication, water or other utility service supplied to the described premises, however caused, if the failure:

- (1) Originates away from the described premises; or
- (2) Originates at the described premises, but only if such failure involves equipment used to supply the utility service to the described premises from a source away from the described premises.

Failure of any utility service includes lack of sufficient capacity and reduction in supply.

Loss or damage caused by a surge of power is also excluded, if the surge would not have occurred but for an event causing a failure of power.

But if the failure or surge of power, or the failure of communication, water or other utility service, results in a Covered Cause of Loss, we will pay for the loss or damage caused by that Covered Cause of Loss.

Communication services include but are not limited to service relating to Internet access or access to any electronic, cellular or satellite network.

f. War And Military Action

- (1) War, including undeclared or civil war;
- (2) Warlike action by a military force, including action in hindering or defending against an actual or expected attack, by any government, sovereign or other authority using military personnel or other agents; or
- (3) Insurrection, rebellion, revolution, usurped power, or action taken by governmental authority in hindering or defending against any of these.

g. Water

- (1) Flood, surface water, waves (including tidal wave and tsunami), tides, tidal water, overflow of any body of water, or spray from any of these, all whether or not driven by wind (including storm surge);
- (2) Mudslide or mudflow;
- (3) Water that backs up or overflows or is otherwise discharged from a sewer, drain, sump, sump pump or related equipment;
- (4) Water under the ground surface pressing on, or flowing or seeping through:

- (a) Foundations, walls, floors or paved surfaces;
 - (b) Basements, whether paved or not; or
 - (c) Doors, windows or other openings; or
- (5) Waterborne material carried or otherwise moved by any of the water referred to in Paragraph (1), (3) or (4), or material carried or otherwise moved by mudslide or mudflow.

This exclusion applies regardless of whether any of the above, in Paragraphs (1) through (5), is caused by an act of nature or is otherwise caused. An example of a situation to which this exclusion applies is the situation where a dam, levee, seawall or other boundary or containment system fails in whole or in part, for any reason, to contain the water.

But if any of the above, in Paragraphs (1) through (5), results in fire, explosion or sprinkler leakage, we will pay for the loss or damage caused by that fire, explosion or sprinkler leakage (if sprinkler leakage is a Covered Cause of Loss).

h. "Fungus", Wet Rot, Dry Rot And Bacteria

Presence, growth, proliferation, spread or any activity of "fungus", wet or dry rot or bacteria.

But if "fungus", wet or dry rot or bacteria result in a "specified cause of loss", we will pay for the loss or damage caused by that "specified cause of loss".

This exclusion does not apply:

- (1) When "fungus", wet or dry rot or bacteria result from fire or lightning; or
- (2) To the extent that coverage is provided in the Additional Coverage, Limited Coverage For "Fungus", Wet Rot, Dry Rot And Bacteria, with respect to loss or damage by a cause of loss other than fire or lightning.

Exclusions **B.1.a.** through **B.1.h.** apply whether or not the loss event results in widespread damage or affects a substantial area.

- e.** Explosion of steam boilers, steam pipes, steam engines or steam turbines owned or leased by you, or operated under your control. But if explosion of steam boilers, steam pipes, steam engines or steam turbines results in fire or combustion explosion, we will pay for the loss or damage caused by that fire or combustion explosion. We will also pay for loss or damage caused by or resulting from the explosion of gases or fuel within the furnace of any fired vessel or within the flues or passages through which the gases of combustion pass.

 - (3)** Any cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion as such condition relates to **(1)** or **(2)** above.

But if collapse results in a Covered Cause of Loss at the described premises, we will pay for the loss or damage caused by that Covered Cause of Loss.

This exclusion, **k.**, does not apply:

(b) To collapse caused by one or more of the following:

l. Discharge, dispersal, seepage, migration, release or escape of "pollutants" unless the discharge, dispersal, seepage, migration, release or escape is itself caused by any of the "specified causes of loss". But if the discharge, dispersal, seepage, migration, release or escape of "pollutants" results in a "specified cause of loss", we will pay for the loss or damage caused by that "specified cause of loss".

This exclusion, **l.**, does not apply to damage to glass caused by chemicals applied to the glass.

m. Neglect of an insured to use all reasonable means to save and preserve property from further damage at and after the time of loss.

3. We will not pay for loss or damage caused by or resulting from any of the following, **3.a.** through **3.c.** But if an excluded cause of loss that is listed in **3.a.** through **3.c.** results in a Covered Cause of Loss, we will pay for the loss or damage caused by that Covered Cause of Loss.

a. Weather conditions. But this exclusion only applies if weather conditions contribute in any way with a cause or event excluded in Paragraph **1.** above to produce the loss or damage.

b. Acts or decisions, including the failure to act or decide, of any person, group, organization or governmental body.

But if the suspension, lapse or cancellation is directly caused by the "suspension" of "operations", we will cover such loss that affects your Business Income during the "period of restoration" and any extension of the "period of restoration" in accordance with the terms of the Extended Business Income Additional Coverage and the Extended Period Of Indemnity Optional Coverage or any variation of these.

This exclusion applies to any effect that compromises the form, substance or quality of the product. But if such error or omission results in a Covered Cause of Loss, we will pay for the loss or damage caused by that Covered Cause of Loss.

C. Limitations

The following limitations apply to all policy forms and endorsements, unless otherwise stated:

- 1.** We will not pay for loss of or damage to property, as described and limited in this section. In addition, we will not pay for any loss that is a consequence of loss or damage as described and limited in this section.
 - a.** Steam boilers, steam pipes, steam engines or steam turbines caused by or resulting from any condition or event inside such equipment. But we will pay for loss of or damage to such equipment caused by or resulting from an explosion of gases or fuel within the furnace of any fired vessel or within the flues or passages through which the gases of combustion pass.
 - b.** Hot water boilers or other water heating equipment caused by or resulting from any condition or event inside such boilers or equipment, other than an explosion.
 - c.** The interior of any building or structure, or to personal property in the building or structure, caused by or resulting from rain, snow, sleet, ice, sand or dust, whether driven by wind or not, unless:
 - (1)** The building or structure first sustains damage by a Covered Cause of Loss to its roof or walls through which the rain, snow, sleet, ice, sand or dust enters; or
 - (2)** The loss or damage is caused by or results from thawing of snow, sleet or ice on the building or structure.
 - d.** Building materials and supplies not attached as part of the building or structure, caused by or resulting from theft.

However, this limitation does not apply to:

 - (1)** Building materials and supplies held for sale by you, unless they are insured under the Builders Risk Coverage Form; or
 - (2)** Business Income Coverage or Extra Expense Coverage.
 - e.** Property that is missing, where the only evidence of the loss or damage is a shortage disclosed on taking inventory, or other instances where there is no physical evidence to show what happened to the property.
 - f.** Property that has been transferred to a person or to a place outside the described premises on the basis of unauthorized instructions.
 - g.** Lawns, trees, shrubs or plants which are part of a vegetated roof, caused by or resulting from:
 - (1)** Dampness or dryness of atmosphere or of soil supporting the vegetation;
 - (2)** Changes in or extremes of temperature;
 - (3)** Disease;
 - (4)** Frost or hail; or
 - (5)** Rain, snow, ice or sleet.
- 2.** We will not pay for loss of or damage to the following types of property unless caused by the "specified causes of loss" or building glass breakage:
 - a.** Animals, and then only if they are killed or their destruction is made necessary.
 - b.** Fragile articles such as statuary, marbles, chinaware and porcelains, if broken. This restriction does not apply to:

(1) Glass; or

(2) Containers of property held for sale.

- c. Builders' machinery, tools and equipment owned by you or entrusted to you, provided such property is Covered Property.

However, this limitation does not apply:

(1) If the property is located on or within 100 feet of the described premises, unless the premises is insured under the Builders Risk Coverage Form; or

(2) To Business Income Coverage or to Extra Expense Coverage.

3. The special limit shown for each category, a. through d., is the total limit for loss of or damage to all property in that category. The special limit applies to any one occurrence of theft, regardless of the types or number of articles that are lost or damaged in that occurrence. The special limits are (unless a higher limit is shown in the Declarations):

a. \$2,500 for furs, fur garments and garments trimmed with fur.

b. \$2,500 for jewelry, watches, watch movements, jewels, pearls, precious and semiprecious stones, bullion, gold, silver, platinum and other precious alloys or metals. This limit does not apply to jewelry and watches worth \$100 or less per item.

c. \$2,500 for patterns, dies, molds and forms.

d. \$250 for stamps, tickets, including lottery tickets held for sale, and letters of credit.

These special limits are part of, not in addition to, the Limit of Insurance applicable to the Covered Property.

This limitation, C.3., does not apply to Business Income Coverage or to Extra Expense Coverage.

4. We will not pay the cost to repair any defect to a system or appliance from which water, other liquid, powder or molten material escapes. But we will pay the cost to repair or replace damaged parts of fire-extinguishing equipment if the damage:

a. Results in discharge of any substance from an automatic fire protection system; or

b. Is directly caused by freezing.

However, this limitation does not apply to Business Income Coverage or to Extra Expense Coverage.

D. Additional Coverage – Collapse

The coverage provided under this Additional Coverage, Collapse, applies only to an abrupt collapse as described and limited in D.1. through D.7.

1. For the purpose of this Additional Coverage, Collapse, abrupt collapse means an abrupt falling down or caving in of a building or any part of a building with the result that the building or part of the building cannot be occupied for its intended purpose.
2. We will pay for direct physical loss or damage to Covered Property, caused by abrupt collapse of a building or any part of a building that is insured under this Coverage Form or that contains Covered Property insured under this Coverage Form, if such collapse is caused by one or more of the following:
 - a. Building decay that is hidden from view, unless the presence of such decay is known to an insured prior to collapse;
 - b. Insect or vermin damage that is hidden from view, unless the presence of such damage is known to an insured prior to collapse;
 - c. Use of defective material or methods in construction, remodeling or renovation if the abrupt collapse occurs during the course of the construction, remodeling or renovation.
 - d. Use of defective material or methods in construction, remodeling or renovation if the abrupt collapse

occurs after the construction, remodeling or renovation is complete, but only if the collapse is caused in part by:

- (1) A cause of loss listed in **2.a.** or **2.b.**;
- (2) One or more of the "specified causes of loss";
- (3) Breakage of building glass;
- (4) Weight of people or personal property; or
- (5) Weight of rain that collects on a roof.

3. This Additional Coverage – Collapse does not apply to:

- a. A building or any part of a building that is in danger of falling down or caving in;
- b. A part of a building that is standing, even if it has separated from another part of the building; or
- c. A building that is standing or any part of a building that is standing, even if it shows evidence of cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion.

4. With respect to the following property:

- a. Outdoor radio or television antennas (including satellite dishes) and their lead-in wiring, masts or towers;
- b. Awnings, gutters and downspouts;
- c. Yard fixtures;
- d. Outdoor swimming pools;
- e. Fences;
- f. Piers, wharves and docks;
- g. Beach or diving platforms or appurtenances;
- h. Retaining walls; and
- i. Walks, roadways and other paved surfaces;

if an abrupt collapse is caused by a cause of loss listed in **2.a.** through **2.d.**, we will pay for loss or damage to that property only if:

- (1) Such loss or damage is a direct result of the abrupt collapse of a building insured under this Coverage Form; and
- (2) The property is Covered Property under this Coverage Form.

5. If personal property abruptly falls down or caves in and such collapse is not the result of abrupt collapse of a building, we will pay for loss or damage to Covered Property caused by such collapse of personal property only if:

- a. The collapse of personal property was caused by a cause of loss listed in **2.a.** through **2.d.**;
- b. The personal property which collapses is inside a building; and
- c. The property which collapses is not of a kind listed in **4.**, regardless of whether that kind of property is considered to be personal property or real property.

The coverage stated in this Paragraph **5.** does not apply to personal property if marring and/or scratching is the only damage to that personal property caused by the collapse.

6. This Additional Coverage, Collapse, does not apply to personal property that has not abruptly fallen down or caved in, even if the personal property shows evidence of cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion.

7. This Additional Coverage, Collapse, will not increase the Limits of Insurance provided in this Coverage

Part.

8. The term Covered Cause of Loss includes the Additional Coverage, Collapse, as described and limited in **D.1.** through **D.7.**

E. Additional Coverage – Limited Coverage For "Fungus", Wet Rot, Dry Rot And Bacteria

1. The coverage described in **E.2.** and **E.6.** only applies when the "fungus", wet or dry rot or bacteria are the result of one or more of the following causes that occur during the policy period and only if all reasonable means were used to save and preserve the property from further damage at the time of and after that occurrence:

- a. A "specified cause of loss" other than fire or lightning; or
- b. Flood, if the Flood Coverage Endorsement applies to the affected premises.

This Additional Coverage does not apply to lawns, trees, shrubs or plants which are part of a vegetated roof.

2. We will pay for loss or damage by "fungus", wet or dry rot or bacteria. As used in this Limited Coverage, the term loss or damage means:

- a. Direct physical loss or damage to Covered Property caused by "fungus", wet or dry rot or bacteria, including the cost of removal of the "fungus", wet or dry rot or bacteria;
- b. The cost to tear out and replace any part of the building or other property as needed to gain access to the "fungus", wet or dry rot or bacteria; and
- c. The cost of testing performed after removal, repair, replacement or restoration of the damaged property is completed, provided there is a reason to believe that "fungus", wet or dry rot or bacteria are present.

3. The coverage described under **E.2.** of this Limited Coverage is limited to \$15,000. Regardless of the number of claims, this limit is the most we will pay for the total of all loss or damage arising out of all occurrences of "specified causes of loss" (other than fire or lightning) and Flood which take place in a 12-month period (starting with the beginning of the present annual policy period). With respect to a particular occurrence of loss which results in "fungus", wet or dry rot or bacteria, we will not pay more than a total of \$15,000 even if the "fungus", wet or dry rot or bacteria continue to be present or active, or recur, in a later policy period.

4. The coverage provided under this Limited Coverage does not increase the applicable Limit of Insurance on any Covered Property. If a particular occurrence results in loss or damage by "fungus", wet or dry rot or bacteria, and other loss or damage, we will not pay more, for the total of all loss or damage, than the applicable Limit of Insurance on the affected Covered Property.

If there is covered loss or damage to Covered Property, not caused by "fungus", wet or dry rot or bacteria, loss payment will not be limited by the terms of this Limited Coverage, except to the extent that "fungus", wet or dry rot or bacteria cause an increase in the loss. Any such increase in the loss will be subject to the terms of this Limited Coverage.

5. The terms of this Limited Coverage do not increase or reduce the coverage provided under Paragraph **F.2.** (Water Damage, Other Liquids, Powder Or Molten Material Damage) of this Causes Of Loss form or under the Additional Coverage, Collapse.
6. The following, **6.a.** or **6.b.**, applies only if Business Income and/or Extra Expense Coverage applies to the described premises and only if the "suspension" of "operations" satisfies all terms and conditions of the applicable Business Income and/or Extra Expense Coverage Form:
 - a. If the loss which resulted in "fungus", wet or dry rot or bacteria does not in itself necessitate a "suspension" of "operations", but such "suspension" is necessary due to loss or damage to property caused by "fungus", wet or dry rot or bacteria, then our payment under Business Income and/or Extra Expense is limited to the amount of loss and/or expense sustained in a period of not more than 30 days. The days need not be consecutive.

- b. If a covered "suspension" of "operations" was caused by loss or damage other than "fungus", wet or dry rot or bacteria but remediation of "fungus", wet or dry rot or bacteria prolongs the "period of restoration", we will pay for loss and/or expense sustained during the delay (regardless of when such a delay occurs during the "period of restoration"), but such coverage is limited to 30 days. The days need not be consecutive.

F. Additional Coverage Extensions

1. Property In Transit

This Extension applies only to your personal property to which this form applies.

- a. You may extend the insurance provided by this Coverage Part to apply to your personal property (other than property in the care, custody or control of your salespersons) in transit more than 100 feet from the described premises. Property must be in or on a motor vehicle you own, lease or operate while between points in the coverage territory.
- b. Loss or damage must be caused by or result from one of the following causes of loss:
 - (1) Fire, lightning, explosion, windstorm or hail, riot or civil commotion, or vandalism.
 - (2) Vehicle collision, upset or overturn. Collision means accidental contact of your vehicle with another vehicle or object. It does not mean your vehicle's contact with the roadbed.
 - (3) Theft of an entire bale, case or package by forced entry into a securely locked body or compartment of the vehicle. There must be visible marks of the forced entry.
- c. The most we will pay for loss or damage under this Extension is \$5,000.

This Coverage Extension is additional insurance. The Additional Condition, Coinsurance, does not apply to this Extension.

2. Water Damage, Other Liquids, Powder Or Molten Material Damage

If loss or damage caused by or resulting from covered water or other liquid, powder or molten material damage loss occurs, we will also pay the cost to tear out and replace any part of the building or structure to repair damage to the system or appliance from which the water or other substance escapes. This Coverage Extension does not increase the Limit of Insurance.

3. Glass

- a. We will pay for expenses incurred to put up temporary plates or board up openings if repair or replacement of damaged glass is delayed.
- b. We will pay for expenses incurred to remove or replace obstructions when repairing or replacing glass that is part of a building. This does not include removing or replacing window displays.

This Coverage Extension **F.3.** does not increase the Limit of Insurance.

G. Definitions

- 1. "Fungus" means any type or form of fungus, including mold or mildew, and any mycotoxins, spores, scents or by-products produced or released by fungi.
- 2. "Specified causes of loss" means the following: fire; lightning; explosion; windstorm or hail; smoke; aircraft or vehicles; riot or civil commotion; vandalism; leakage from fire-extinguishing equipment; sinkhole collapse; volcanic action; falling objects; weight of snow, ice or sleet; water damage.
 - a. Sinkhole collapse means the sudden sinking or collapse of land into underground empty spaces created by the action of water on limestone or dolomite. This cause of loss does not include:
 - (1) The cost of filling sinkholes; or
 - (2) Sinking or collapse of land into man-made underground cavities.
 - b. Falling objects does not include loss or damage to:

- (1) Personal property in the open; or
 - (2) The interior of a building or structure, or property inside a building or structure, unless the roof or an outside wall of the building or structure is first damaged by a falling object.
- c. Water damage means:
- (1) Accidental discharge or leakage of water or steam as the direct result of the breaking apart or cracking of a plumbing, heating, air conditioning or other system or appliance (other than a sump system including its related equipment and parts), that is located on the described premises and contains water or steam; and
 - (2) Accidental discharge or leakage of water or waterborne material as the direct result of the breaking apart or cracking of a water or sewer pipe caused by wear and tear, when the pipe is located off the described premises and is connected to or is part of a potable water supply system or sanitary sewer system operated by a public or private utility service provider pursuant to authority granted by the state or governmental subdivision where the described premises are located.

But water damage does not include loss or damage otherwise excluded under the terms of the Water Exclusion. Therefore, for example, there is no coverage under this policy in the situation in which discharge or leakage of water results from the breaking apart or cracking of a pipe which was caused by or related to weather-induced flooding, even if wear and tear contributed to the breakage or cracking. As another example, and also in accordance with the terms of the Water Exclusion, there is no coverage for loss or damage caused by or related to weather-induced flooding which follows or is exacerbated by pipe breakage or cracking attributable to wear and tear.

To the extent that accidental discharge or leakage of water falls within the criteria set forth in **c.(1)** or **c.(2)** of this definition of "specified causes of loss," such water is not subject to the provisions of the Water Exclusion which preclude coverage for surface water or water under the surface of the ground.

A. If a Discharge Limit for Property Damage is entered in the Schedule, Declarations or Change Endorsement, the following applies:

With respect to the premises identified in the Schedule, Declarations or Change Endorsement, we will pay for direct physical loss or damage to Covered Property, caused by or resulting from discharge of water or waterborne material from a sewer, drain or sump located on the described premises, provided such discharge is not induced by flood or flood-related conditions.

The aforementioned references to flood include surface water, waves (including tidal wave and tsunami), tides, tidal water, and overflow of any body of water, including storm surge.

For the purpose of this endorsement, the term drain includes a roof drain and related fixtures.

B. If a Discharge Limit for Business Interruption is entered in the Schedule, Declarations or Change Endorsement, the following applies:

With respect to the premises identified in the Schedule, Declarations or Change Endorsement, we will pay for business income loss and/or extra expense in accordance with the terms of the Coverage Form applicable to such premises under your policy, when such loss or expense arises out of the direct physical loss or damage described in Paragraph **A**.

C. There is no coverage under this endorsement if:

1. The discharge results from an insured's failure to perform routine maintenance or repair necessary to keep a sewer or drain or a sump, sump pump or related equipment free from obstruction and in proper working condition. This limitation does not apply to sudden mechanical breakdown of a sump pump or its related equipment, provided the breakdown is not the result of an insured's negligence; or
2. Sump pump failure is caused by or results from failure of power, unless this policy is endorsed to cover power failure affecting the described premises.

D. To the extent that the Water Exclusion might conflict with the coverage provided under this endorsement, the Water Exclusion does not apply to such coverage.

E. We will not pay the cost of repairing or replacing a sewer, drain, sump, sump pump or any related parts or equipment.

- F.** The most we will pay under this endorsement, for the total of all covered loss and expense, is the applicable Discharge Limit shown in the Schedule, Declarations or Change Endorsement. Such Limit is part of, not in addition to, the Limit of Insurance applicable to the Covered Property, business income or extra expense.
- G.** If the Annual Aggregate Limitation is shown as applicable in the Schedule, Declarations or Change Endorsement, then the following applies:

The applicable Discharge Limit is an annual aggregate limit and as such is the most we will pay for the total of all covered loss and expense caused by all occurrences in a 12-month period (starting with the beginning of the present annual policy period), regardless of the number of occurrences during that period of time. Thus, if the first occurrence does not exhaust the applicable Discharge Limit, then the balance of that Limit is available for a subsequent occurrence. If an occurrence begins during one annual policy period and ends during the following annual policy period, any Discharge Limit applicable to the following annual policy period will not apply to that occurrence.

- H.** All policy provisions apply to the coverage provided under this endorsement unless otherwise indicated, including the Deductible for direct physical loss or damage and the "period of restoration" for business income and extra expense. If an occurrence results in loss payable only under this endorsement, the Deductible applicable to Fire will apply to this endorsement. But if an occurrence also causes other loss or damage that is paid under this policy, a separate Deductible will not apply to the loss or damage covered under this endorsement.

EXCLUSION OF LOSS DUE TO VIRUS OR BACTERIA

This endorsement modifies insurance provided under the following:

COMMERCIAL PROPERTY COVERAGE PART
STANDARD PROPERTY POLICY

- A.** The exclusion set forth in Paragraph **B.** applies to all coverage under all forms and endorsements that comprise this Coverage Part or Policy, including but not limited to forms or endorsements that cover property damage to buildings or personal property and forms or endorsements that cover business income, extra expense or action of civil authority.
- B.** We will not pay for loss or damage caused by or resulting from any virus, bacterium or other microorganism that induces or is capable of inducing physical distress, illness or disease.

However, this exclusion does not apply to loss or damage caused by or resulting from "fungus," wet rot or dry rot. Such loss or damage is addressed in a separate exclusion in this Coverage Part or Policy.
- C.** With respect to any loss or damage subject to the exclusion in Paragraph **B.**, such exclusion supersedes any exclusion relating to "pollutants."
- D.** The following provisions in this Coverage Part or Policy are hereby amended to remove reference to bacteria:
 - 1.** Exclusion of "Fungus," Wet Rot, Dry Rot And Bacteria; and
 - 2.** Additional Coverage - Limited Coverage for "Fungus," Wet Rot, Dry Rot And Bacteria, including any endorsement increasing the scope or amount of coverage.
- E.** The terms of the exclusion in Paragraph **B.**, or the inapplicability of this exclusion to a particular loss, do not serve to create coverage for any loss that would otherwise be excluded under this Coverage Part or Policy.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

ORDINANCE OR LAW COVERAGE

This endorsement modifies insurance provided under the following:

BUILDING AND PERSONAL PROPERTY COVERAGE FORM
 CONDOMINIUM ASSOCIATION COVERAGE FORM
 STANDARD PROPERTY POLICY

SCHEDULE *

Building Number/ Premises Number	Coverage A	Coverage B Limit Of Insurance	Coverage C Limit Of Insurance	Coverage B And C Combined Limit Of Insurance
/	<input type="checkbox"/>	\$	\$	\$ **
/	<input type="checkbox"/>	\$	\$	\$ **
/	<input type="checkbox"/>	\$	\$	\$ **

Post-Loss Ordinance Or Law Option: Yes No

****Do not enter a Combined Limit of Insurance if individual Limits of Insurance are selected for Coverages B and C, or if one of these Coverages is not applicable.**

***(Information required to complete this endorsement, if not shown above, will be shown in the Declarations or Change Endorsement.)**

A. Each Coverage – Coverage **A**, Coverage **B** and Coverage **C** – is provided under this endorsement only if that Coverage(s) is chosen by entry in the above Schedule and then only with respect to the building identified for that Coverage(s) in the Schedule.

B. Application Of Coverage(s)

The Coverage(s) provided by this endorsement applies with respect to an ordinance or law that regulates the demolition, construction or repair of buildings, or establishes zoning or land use requirements at the described premises, subject to the following:

1. The requirements of the ordinance or law are in force at the time of loss. But if the Post-Loss Ordinance Or Law Option is indicated in the Schedule as being applicable, then Paragraph **B.2.** applies instead of this Paragraph **B.1.**
2. The requirements of the ordinance or law are in force at the time of loss; or the ordinance or law is promulgated or revised after the loss but prior to commencement of reconstruction or repair and provided that such ordinance or law requires compliance as a condition precedent to obtaining a building permit or certificate of occupancy.
3. Coverage under this endorsement applies only in response to the minimum requirements of the ordinance or law. Losses and costs incurred in complying with recommended actions or standards that exceed actual requirements are not covered under this endorsement.
4. Coverage under this endorsement applies only if:
 - a. The building sustains only direct physical damage that is covered under this policy and as a result of such damage, you are required to comply with the ordinance or law; or

- b. The building sustains both direct physical damage that is covered under this policy and direct physical damage that is not covered under this policy, and as a result of the building damage in its entirety, you are required to comply with the ordinance or law.

However, there is no coverage under this endorsement if the building sustains direct physical damage that is not covered under this policy, and such damage is the subject of the ordinance or law, even if the building has also sustained covered direct physical damage.

- 5. If coverage applies under this endorsement based on the terms of Paragraph **B.4.b.**, we will not pay the full amount of loss otherwise payable under the terms of Coverages **A**, **B**, and/or **C** of this endorsement. Instead, we will pay a proportion of such loss, meaning the proportion that the covered direct physical damage bears to the total direct physical damage.

(Paragraph **F**. of this endorsement provides an example of this procedure.)

However, if the covered direct physical damage, alone, would have resulted in a requirement to comply with the ordinance or law, then we will pay the full amount of loss otherwise payable under the terms of Coverages **A**, **B** and/or **C** of this endorsement.

- 6. We will not pay under this endorsement for:
 - a. Enforcement of or compliance with any ordinance or law which requires the demolition, repair, replacement, reconstruction, remodeling or remediation of property due to contamination by "pollutants" or due to the presence, growth, proliferation, spread or any activity of "fungus", wet or dry rot or bacteria; or
 - b. The costs associated with the enforcement of or compliance with any ordinance or law which requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of "pollutants", "fungus", wet or dry rot or bacteria.
- 7. We will not pay under this endorsement for any loss in value or any cost incurred due to an ordinance or law that you were required to comply with before the time of the current loss, even in the absence of building damage, if you failed to comply.

C. Coverage

1. Coverage A – Coverage For Loss To The Undamaged Portion Of The Building

With respect to the building that has sustained covered direct physical damage, we will pay under Coverage **A** for the loss in value of the undamaged portion of the building as a consequence of a requirement to comply with an ordinance or law that requires demolition of undamaged parts of the same building.

Coverage **A** is included within the Limit Of Insurance applicable to such building as shown in the Declarations or addressed elsewhere in this policy. Coverage **A** does not increase the Limit of Insurance.

2. Coverage B – Demolition Cost Coverage

With respect to the building that has sustained covered direct physical damage, we will pay the cost to demolish and clear the site of undamaged parts of the same building as a consequence of a requirement to comply with an ordinance or law that requires demolition of such undamaged property.

The Coinsurance Additional Condition does not apply to Demolition Cost Coverage.

3. Coverage C – Increased Cost Of Construction Coverage

- a. With respect to the building that has sustained covered direct physical damage, we will pay the increased cost to:

- (1) Repair or reconstruct damaged portions of that building; and/or
- (2) Reconstruct or remodel undamaged portions of that building, whether or not demolition is required;

when the increased cost is a consequence of a requirement to comply with the minimum standards of the ordinance or law.

However:

- (1) This coverage applies only if the restored or remodeled property is intended for similar occupancy as the current property, unless such occupancy is not permitted by zoning or land use ordinance or law.
- (2) We will not pay for the increased cost of construction if the building is not repaired, reconstructed or remodeled.

The Coinsurance Additional Condition does not apply to Increased Cost of Construction Coverage.

- b. When a building is damaged or destroyed and Coverage **C** applies to that building in accordance with Paragraph **C.3.a.** above, coverage for the increased cost of construction also applies to repair or reconstruction of the following, subject to the same conditions stated in Paragraph **C.3.a.:**
 - (1) The cost of excavations, grading, backfilling and filling;
 - (2) Foundation of the building;
 - (3) Pilings; and
 - (4) Underground pipes, flues and drains.

The items listed in **b.(1)** through **b.(4)** above are deleted from Property Not Covered, but only with respect to the coverage described in this provision, **3.b.**

D. Loss Payment

1. All following loss payment provisions, **D.2.** through **D.5.**, are subject to the apportionment procedures set forth in Paragraph **B.5.** of this endorsement.
2. When there is a loss in value of an undamaged portion of a building to which Coverage **A** applies, the loss payment for that building, including damaged and undamaged portions, will be determined as follows:
 - a. If the Replacement Cost Coverage Option applies and such building is being repaired or replaced, on the same or another premises, we will not pay more than the lesser of:
 - (1) The amount you would actually spend to repair, rebuild or reconstruct such building, but not for more than the amount it would cost to restore the building on the same premises and to the same height, floor area, style and comparable quality of the original property insured; or
 - (2) The Limit Of Insurance applicable to such building as shown in the Declarations or addressed elsewhere in this policy. (If this policy is endorsed to cover Earthquake and/or Flood as a Covered Cause of Loss, the Limit of Insurance applicable to the building in the event of damage by such Covered Cause of Loss may be lower than the Limit of Insurance that otherwise would apply.)
 - b. If the Replacement Cost Coverage Option applies and such building is **not** repaired or replaced, or if the Replacement Cost Coverage Option does **not** apply, we will not pay more than the lesser of:
 - (1) The actual cash value of such building at the time of loss; or
 - (2) The Limit Of Insurance applicable to such building as shown in the Declarations or addressed elsewhere in this policy. (If this policy is endorsed to cover Earthquake and/or Flood as a Covered Cause of Loss, the Limit of Insurance applicable to the building in the event of damage by such Covered Cause of Loss may be lower than the Limit of Insurance that otherwise would apply.)
3. Unless Paragraph **D.5.** applies, loss payment under Coverage **B** – Demolition Cost Coverage will be determined as follows:

We will not pay more than the lesser of the following:

- a. The amount you actually spend to demolish and clear the site of the described premises; or
 - b. The applicable Limit Of Insurance shown for Coverage **B** in the Schedule.
4. Unless Paragraph **D.5.** applies, loss payment under Coverage **C** – Increased Cost Of Construction Coverage will be determined as follows:
- a. We will not pay under Coverage **C**:
 - (1) Until the building is actually repaired or replaced, at the same or another premises; and
 - (2) Unless the repair or replacement is made as soon as reasonably possible after the loss or damage, not to exceed two years. We may extend this period in writing during the two years.
 - b. If the building is repaired or replaced at the same premises, or if you elect to rebuild at another premises, the most we will pay under Coverage **C** is the lesser of:
 - (1) The increased cost of construction at the same premises; or
 - (2) The applicable Limit Of Insurance shown for Coverage **C** in the Schedule.
 - c. If the ordinance or law requires relocation to another premises, the most we will pay under Coverage **C** is the lesser of:
 - (1) The increased cost of construction at the new premises; or
 - (2) The applicable Limit Of Insurance shown for Coverage **C** in the Schedule.
5. If a Combined Limit Of Insurance is shown for Coverages **B** and **C** in the Schedule, Paragraphs **D.3.** and **D.4.** do not apply with respect to the building that is subject to the Combined Limit, and the following loss payment provisions apply instead:

The most we will pay, for the total of all covered losses for Demolition Cost and Increased Cost of Construction, is the Combined Limit Of Insurance shown for Coverages **B** and **C** in the Schedule. Subject to this Combined Limit of Insurance, the following loss payment provisions apply:

- a. For Demolition Cost, we will not pay more than the amount you actually spend to demolish and clear the site of the described premises.
 - b. With respect to the Increased Cost of Construction:
 - (1) We will not pay for the increased cost of construction:
 - (a) Until the building is actually repaired or replaced, at the same or another premises; and
 - (b) Unless the repair or replacement is made as soon as reasonably possible after the loss or damage, not to exceed two years. We may extend this period in writing during the two years.
 - (2) If the building is repaired or replaced at the same premises, or if you elect to rebuild at another premises, the most we will pay for the increased cost of construction is the increased cost of construction at the same premises.
 - (3) If the ordinance or law requires relocation to another premises, the most we will pay for the increased cost of construction is the increased cost of construction at the new premises.
- E.** The terms of this endorsement apply separately to each building to which this endorsement applies.
- F.** Example of proportionate loss payment for Ordinance Or Law Coverage Losses (procedure as set forth in Paragraph **B.5.**).

Assume:

- Wind is a Covered Cause of Loss; Flood is an excluded Cause of Loss
- The building has a value of \$200,000
- Total direct physical damage to building: \$100,000

- The ordinance or law in this jurisdiction is enforced when building damage equals or exceeds 50% of the building's value
- Portion of direct physical damage that is covered (caused by wind): \$30,000
- Portion of direct physical damage that is not covered (caused by flood): \$70,000
- Loss under Ordinance Or Law Coverage **C** of this endorsement: \$60,000

Step 1: Determine the proportion that the covered direct physical damage bears to the total direct physical damage.

$$\$30,000 \div \$100,000 = .30$$

Step 2: Apply that proportion to the Ordinance or Law loss.

$$\$60,000 \times .30 = \$18,000$$

In this example, the most we will pay under this endorsement for the Coverage **C** loss is \$18,000, subject to the applicable Limit of Insurance and any other applicable provisions.

Note: The same procedure applies to losses under Coverages **A** and **B** of this endorsement.

G. The following definition is added:

"Fungus" means any type or form of fungus, including mold or mildew, and any mycotoxins, spores, scents or by-products produced or released by fungi.

You may extend the insurance provided by the applicable Coverage Form to apply to Building Ordinance or Law Coverage. The Blanket Limit of Insurance shown in the Schedule, Declarations or Change Endorsement is to be applied separately at each covered building shown in the Property Declarations or Change Endorsement.

- a. If there is an ordinance or law in effect at the time of loss (or the ordinance or law is promulgated or revised after the loss but prior to commencement of reconstruction or repair) that regulates zoning, land use or construction of a covered building, and if enforcement of that ordinance or law affects the repair of that building following damage by a Covered Cause of Loss, you may extend the insurance on Building to cover:
 - 1) The loss in value of the undamaged portions of the building as a consequence of a requirement that requires demolition of undamaged parts of the same building. This coverage is included within the Limit of Insurance shown in the Declarations or Change Endorsement as applicable to the covered building;

3. Business Income and Extra Expense with Service Interruption

You may extend the insurance provided by the applicable Coverage Form for direct physical loss of or damage to Covered Property to apply to:

- a. The actual loss of Business Income you sustain due to the necessary suspension of your operations at the described premises as a result of covered direct loss or damage; and
- b. Necessary Extra Expenses you incur that you would not have incurred if there had been no such covered direct loss or damage.

This Extension only applies to the amount of loss incurred beginning 72 hours after the time of direct physical loss or damage to Covered Property at or within 1,000 feet of the property line of the described premises by a Covered Cause of Loss. It ends on the date when the property at the described premises be repaired, rebuilt or replaced with reasonable speed and similar quality, even if this is after the expiration date of this policy. This does not include any increased time needed due to enforcement of any ordinance or law regulating:

- a. Building or land usage, demolition or construction; or
- b. Environmental damage or restoration

Business income means the:

- a. Net Income (Net Profit or Loss before income taxes) that would have been earned or incurred; and
- b. Continuing normal operating expenses necessarily incurred, including payroll.

For manufacturing risks, Net Income includes the net sales value of production.

Extra Expense means expense incurred:

- a. To avoid or minimize the suspension of business and to continue your operations at any location;
- b. To minimize the suspension of business if you cannot continue your operations; or
- c. To repair or replace any property or to research, replace or restore the information on damaged valuable papers and records, but only if those expenses reduce the amounts otherwise payable in this Extension.

The insurance provided by this additional coverage is extended to apply to loss caused by or resulting from a Covered Cause of Loss to equipment that is owned by a utility, landlord, or other supplier with whom you have a written agreement or contract to provide you with any of the following services: electrical power, communications, waste disposal, air conditioning, refrigeration, heating, gas, air, water or steam. Coverage provided by this extension applies regardless of the location of the equipment.

The most we will pay for loss or damage under this coverage is \$25,000.

4. Business Income from Dependent Properties, Secondary Contributing Locations or Secondary Recipient Locations

You may extend the insurance provided by the Coverage form for direct loss of or damage to Covered Property to apply to the actual loss of Business Income you sustain due to the necessary suspension of your operations. The suspension must be caused by direct physical loss of or damage to “dependent property”, “secondary contributing location” or “secondary recipient location” caused by or resulting from a Covered Cause of Loss. However, coverage under this endorsement does not apply when the only loss to “dependent property”, “secondary contributing location” or “secondary recipient location” is loss or damage to electronic data including destruction or corruption of electronic data. If the “dependent property”, “secondary contributing location” or “secondary recipient location” sustains loss or damage to electronic data and other property, coverage under this endorsement will not continue once the other property is repaired, rebuilt or replaced. The term electronic data has the meaning set forth in the Coverage Form to which this endorsement applies.

This Extension only applies to the amount of loss incurred beginning 72 hours after the time of direct physical loss or damage caused by or resulting from any Covered Cause of Loss at the premises of the “dependent property”, “secondary contributing location” or “secondary recipient location” and ending on the date when the property at the premises of the “dependent property”, “secondary contributing location” or “secondary recipient location” should be repaired, rebuilt or replaced with reasonable speed and similar quality. This does not include any increased time needed due to enforcement of any ordinance or law regulating:

- a. Building or land usage, demolition or construction; or
- b. Environmental damage or restoration

Business Income means the:

- a. Net Income (Net Profit or Loss before income taxes) that would have been earned or incurred; and
- b. Continuing normal operating expenses necessarily incurred, including payroll.

For manufacturing risks, Net Income includes the net sales value of production.

"Dependent property" means property operated by others whom you depend on to:

- a. Deliver materials or services to you, or to others for your account. But any property which delivers any of the following services is not dependent property with respect to such services:
 - 1) Water supply services;
 - 2) Power supply services; or
 - 3) Communication supply services, including services relating to internet access or access to any electronic network;
- b. Accept your products or services;
- c. Manufacture products for delivery to your customers under contract of sale; or
- d. Attract customers to your business.

"Secondary contributing location" is an entity which:

- a. Is not owned or operated by a Dependent Property; and
- b. Delivers materials or services to a Dependent Property, which in turn are used by that Dependent Property in providing materials or services to you.

A road, bridge, tunnel, waterway, airfield, pipeline or any other similar area or structure is not a "secondary contributing location".

Any property which delivers any of the following services is not a "secondary contributing location" with respect to such services:

- 1) Water supply services;
- 2) Power supply services;
- 3) Wastewater removal services; or
- 4) Communication supply services, including services relating to Internet access or access to any electronic network.

"Secondary recipient location" is an entity which:

- a. Is not owned or operated by a Dependent Property; and
- b. Accepts materials or services from a Dependent Property identified in the Schedule, Declarations or Change Endorsement which in turn accepts your materials or services.

A road, bridge, tunnel, waterway, airfield, pipeline or any other similar area or structure is not a "secondary recipient location".

The most we will pay for loss or damage under this coverage is \$25,000.

5. Consequential Loss

You may extend the insurance that applies to Your Business Personal Property to pay the reduction in value of the remaining parts of "stock" in process of manufacture when the reduction is caused by direct physical loss or damage from a Covered Cause of Loss to other parts of "stock" in the process of manufacture at the described premises and the remaining parts cannot be used in conjunction with other "stock."

6. Crime Coverage

- a. You may extend the insurance that applies to Your Business Personal Property to provide the following Crime coverages. These coverages apply to loss that you sustain resulting directly from an

“occurrence” taking place during the Policy Period shown in the Declarations or Change Endorsement, except as provided in the additional Conditions **c.4)** and **c.5)** which is “discovered” by you during the Policy Period shown in the Declarations or Change Endorsement or during the period of time provided in the Extended Period to Discover Loss Condition **c.2)**: If any of these Crime coverages are also covered under the Commercial Crime Coverage Form (Loss Sustained Form) on the same policy, the applicable limits under both forms are combinable for limit of insurance purposes.

1) Employee Theft

We will pay for loss or damage to “money,” “securities,” and “other property” resulting directly from “theft” committed by an “employee,” whether identified or not, acting alone or in collusion with other persons.

For the purposes of this coverage, “theft” shall also include forgery.

If the Blanket Limit of Insurance is more than \$50,000, the most we will pay for loss or damage under this coverage is \$50,000 regardless of the number of premises involved.

2) Forgery Or Alteration

A substitute check as defined in the Check Clearing for the 21st Century Act shall be treated the same as the original it replaced.

b) If you are sued for refusing to pay any instrument covered in Paragraph **2)a)** above, on the basis that it has been forged or altered, and you have our written consent to defend against the suit, we will pay for any reasonable legal expenses that you incur and pay in that defense. The amount that we will pay for such legal expenses is in addition to the Limit of Insurance applicable to this Insuring Agreement.

3) Theft Of Money And Securities

a) Inside the Premises

- i)** We will pay for loss of “money” and “securities” inside the “premises” or “financial institution premises”:
 - a)** Resulting directly from “theft” committed by a person present inside such “premises” or “financial institution premises”; or
 - b)** Resulting directly from disappearance or destruction.
- ii)** We will pay for loss from damage to the “premises” or its exterior resulting directly from an actual or attempted “theft” of “money” and “securities,” if you are the owner of the “premises” or are liable for damage to it.

7. Disaster Rebuilding Expenses

a. You may extend the insurance provided by the applicable Coverage Form to pay for direct physical loss or damage to covered property excess of the applicable limits stated in the Property Declarations or Change Endorsement. We will pay under this coverage if all of the following conditions are met, subject to all limitations of this endorsement:

1) The event that caused the covered loss:

- a)** Results in declaration of a state of disaster by federal or state authorities; or
- b)** Occurs in close temporal proximity to the event that resulted in declaration of disaster by federal or state authorities.

2) Expenses for labor and/or building materials for repair or replacement of the damaged property increase as a result of the disaster and the total cost of repair or replacement exceeds the applicable Limit of Insurance due to such increase in expenses;

3) You elect to repair or replace the damaged building; and

4) You notified us, within 30 days of completion, of any improvements, alterations or additions to the building which increase the replacement cost of the building by 5% or more, and allowed us to adjust the Limit of Insurance, if necessary, to maintain the required insurance-to-value level.

b. When the cost of repair or replacement increases in accordance with the terms of this endorsement, we will pay the increased expenses actually incurred, up to the Blanket Limit of Insurance or \$100,000 whichever is less.

c. The maximum amount of Disaster Rebuilding Expense Coverage available for the extra expense of repair or replacement of a building listed in the Property Declarations or Change Endorsement is determined in accordance with the following provisions:

1) Apply 5% for Disaster Rebuilding Expense Coverage to:

a) The Limit of Insurance shown in the Property Declarations or Change Endorsement as applicable to the building (adjusted first for inflation if the Inflation Guard option applies), when such Limit covers only that building (exclusive of contents); or

b) The value of the building (as shown in the most recent statement of values in this policy or on file with us) when insurance is written on a blanket basis. (For the purpose of this endorsement, blanket insurance covers two or more buildings, or a building(s) and its contents, under a single Limit of Insurance.)

However, if the building is subject to a lower Limit of Insurance (sub-limit) for the Covered Cause of Loss that caused the loss, then the 5% will be applied to that sub-limit.

d. Annual Aggregate

The following applies when payments are made under this endorsement as a result of one or more covered events in an annual policy term:

1) When payments reach the maximum amount of Disaster Rebuilding Expense Coverage, such coverage will not apply to a subsequent event which occurs in the same annual policy term.

2) When payments total less than the maximum amount of Disaster Rebuilding Expense Coverage, the balance will be available for additional expenses incurred in a subsequent event which occurs in the same annual policy term.

e. Debris Removal

Up to 20% of the amount payable for Disaster Rebuilding Expense Coverage may be used to cover

Debris Removal expense associated with the covered loss. This does not increase the maximum amount of Disaster Rebuilding Expense Coverage.

f. Ordinance or Law

When a building listed in the Property Declarations or Change Endorsement is also covered for Coverage **C** under the Ordinance Or Law Coverage endorsement (if a part of this policy), up to 20% of the amount payable for Additional Expense Coverage may be used to cover costs payable under Coverage **C**. g. Newly Acquired Or Constructed Buildings

When a newly acquired or constructed building is covered under the terms of the Newly Acquired Or Constructed Property Coverage Extension, then coverage is extended for any building, and will be applied to the applicable Limit of Insurance for newly acquired or constructed buildings.

The result is the amount of Disaster Rebuilding Expense Coverage applicable to the newly acquired or constructed building, subject to all other terms of this endorsement.

c. The Covered Causes of Loss applicable to Your Business Personal Property apply to this Coverage Electronic Data, subject to the following:

Thus, if the first occurrence does not exhaust the applicable Limit, then the balance of that Limit is available for a subsequent occurrence.  - a. Business Income and Extra Expense
 - (1) Any insurance provided under the coverage part for Business Income or Extra Expense is extended to the coverage provided by this endorsement. However, if a deductible is shown in a Schedule, Declarations or Change Endorsement, then with respect to this endorsement only, the "period of restoration" will begin immediately after the "accident" or "electronic circuitry impairment," and the deductible shown in the Schedule, Declarations or Change Endorsement will apply.
 - (2) The most we will pay for loss or expense under this coverage is the applicable limit for Business Income and Extra Expense, unless otherwise shown in a Schedule, Declarations or Change Endorsement.
 - b. Data Restoration
 - (1) We will pay for your reasonable and necessary cost to research, replace and restore lost "data."
 - (2) The most we will pay for loss or expense under this coverage, including actual loss of Business Income you sustain and necessary Extra Expense you incur, if shown as covered, is \$100,000 unless otherwise shown in a Schedule, Declarations or Change Endorsement.
 - c. Expediting Expenses
 - (1) With respect to your damaged Covered Property, we will pay the reasonable extra cost to:
 - (a) Make temporary repairs; and
 - (b) Expedite permanent repairs or permanent replacement.
 - (2) The most we will pay for loss or expense under this coverage is \$100,000 unless otherwise shown in a Schedule, Declarations or Change Endorsement.
 - d. "Fungus," Wet Rot, Dry Rot And Bacteria
 - (1) We will pay your additional cost to repair or replace Covered Property because of contamination by "fungus," wet rot, dry rot or bacteria. This includes the additional costs to clean up or dispose

of such property. This does not include spoilage of personal property that is “perishable goods” to the extent that such spoilage is covered under Spoilage coverage.

- (2)** As used in this coverage, additional costs mean those beyond what would have been payable under this Equipment Breakdown Coverage had no “fungus,” wet rot, dry rot or bacteria been involved.
- (3)** We will also pay the cost of testing performed after repair or replacement of the damaged Covered Property is completed only to the extent that there is reason to believe there is the presence of “fungus,” wet rot, dry rot or bacteria.
- (4)** This coverage does not apply to lawns, trees, shrubs or plants which are part of a vegetated roof.
- (5)** The most we will pay in any “one equipment breakdown” for loss, damage or expense under this coverage, including actual loss of Business Income you sustain and necessary Extra Expense you incur, if shown as covered, is \$15,000 unless otherwise shown in a Schedule, Declarations or Change Endorsement even if the “fungus,” wet rot, dry rot or bacteria continues to be present or active or recurs in a later policy period.

e. Hazardous Substances

- (1)** We will pay your additional cost to repair or replace Covered Property because of contamination by a “hazardous substance.” This includes the additional expenses to clean up or dispose of such property.
- (2)** This does not include contamination of “perishable goods” by refrigerant, including but not limited to ammonia, which is addressed in 2.i.(1)(b) below. As used in this coverage, additional costs mean those beyond what would have been payable under this Equipment Breakdown Coverage had no “hazardous substance” been involved.
- (3)** The most we will pay for loss, damage or expense under this coverage, including actual loss of Business Income you sustain and necessary Extra Expense you incur, if shown as covered, is \$100,000 unless otherwise shown in a Schedule, Declarations or Change Endorsement.

f. Off Premises Equipment Breakdown

- (1)** We will pay for physical damage to transportable “covered equipment” that, at the time of the “accident” or “electronic circuitry impairment,” is not at a covered location. As respects this Off Premises Equipment Breakdown coverage only, the “accident” or “electronic circuitry impairment” may occur in any country except one in which the United States has imposed sanctions, embargoes or similar restrictions on the provision of insurance.
- (2)** We will also pay for your reasonable and necessary cost to research, replace and restore lost “data” contained within “covered equipment” as described under (1) above. This amount may not exceed the limit applicable to Data Restoration coverage.
- (3)** The most we will pay for loss, damage or expense under this coverage, including actual loss of Business Income you sustain and necessary Extra Expense you incur, if shown as covered, and Data Restoration as described in (2) above is \$100,000 unless otherwise shown in a Schedule, Declarations or Change Endorsement..

g. Public Relations

- (1)** This coverage only applies if you have sustained an actual loss of Business Income covered under this endorsement.
- (2)** We will pay for your reasonable costs for professional services to create and disseminate communications, when the need for such communications arises directly from the interruption of your business. This communication must be directed to one or more of the following:
 - (a)** The media;
 - (b)** The public; or
 - (c)** Your customers, clients or members.
- (3)** Such costs must be incurred during the “period of restoration” or up to 30 days after the “period of restoration” has ended.
- (4)** The most we will pay for loss or expense under this coverage is \$5,000 unless otherwise shown

in a Schedule, Declarations or Change Endorsement.

h. Service Interruption

- (1)** Any insurance provided for Business Income, Extra Expense, Data Restoration or Spoilage is extended to apply to your loss, damage or expense caused by a failure or disruption of service. The failure or disruption of service must be caused by an “accident” to equipment, including overhead transmission lines, that is owned by a utility, landlord, a landlord’s utility or other supplier who provides you with any of the following services: electrical power, waste disposal, air conditioning, refrigeration, heating, natural gas, compressed air, water, steam, Internet access, telecommunications services, “cloud computing services,” wide area networks or data transmission. The equipment must meet the definition of “covered equipment” except that it is not Covered Property.
- (2)** “Cloud computing services” must be provided by a professional provider with whom you have a contract.
- (3)** With respect to the Data Restoration portion of this Service Interruption coverage, coverage will also apply to “data” stored in the equipment of a provider of “cloud computing services.”
- (4)** Unless otherwise shown in a Schedule, Declarations or Change Endorsement, any insurance provided for Business Income or Data Restoration will not apply under this Service Interruption coverage unless the failure or disruption of service exceeds 24 hours immediately following the “accident.” If the interruption exceeds 24 hours, coverage will begin at the time of the disruption, and the applicable deductible will apply.
- (5)** The most we will pay in any “one equipment breakdown” for loss, damage or expense under this coverage is the applicable limit for Business Income, Extra Expense, Data Restoration or Spoilage, except that if a limit is shown in a Schedule, Declarations or Change Endorsement for Service Interruption, that limit will apply to Business Income and Extra Expense loss under this coverage.

i. Spoilage

- (1)** We will pay for:
 - (a)** Physical damage to “perishable goods” due to spoilage;
 - (b)** Physical damage to “perishable goods” due to contamination from the release of refrigerant, including but not limited to ammonia;
 - (c)** Any necessary expenses you incur to reduce the amount of loss under this coverage to the extent that they do not exceed the amount of loss that otherwise would have been payable under this coverage.
- (2)** If you are unable to replace the “perishable goods” before its anticipated sale, the amount of our payment will be determined on the basis of the sales price of the “perishable goods” at the time of the “accident” or “electronic circuitry impairment,” less discounts and expenses you otherwise would have had. Otherwise our payment will be determined in accordance with the Valuation condition.
- (3)** The most we will pay for loss, damage or expense under this coverage is \$100,000 unless otherwise shown in a Schedule, Declarations or Change Endorsement.

3. EXCLUSIONS

All exclusions in the applicable Causes of Loss form apply except as modified below and to the extent that coverage is specifically provided by this endorsement.

a. The following exclusions are modified:

If the Causes of Loss—Special Form applies, with respect to this endorsement only, the last paragraph of Exclusion B.2.d. is deleted and replaced with the following:

But if an excluded cause of loss that is listed in 2.d.(1) through (7) results in an “accident” or “electronic circuitry impairment,” we will pay for the loss, damage or expense caused by that “accident” or “electronic circuitry impairment.”

b. The following exclusions are added:

- (1)** We will not pay for loss, damage or expense caused by or resulting from:
 - a hydrostatic, pneumatic or gas pressure test of any boiler or pressure vessel, or an electrical insulation breakdown test of any type of electrical equipment.
- (2)** Coverage under this endorsement does not apply to an “accident” or “electronic circuitry impairment” caused by or resulting from:
 - (a)** Fire (including fire resulting from an “accident” or “electronic circuitry impairment”), or water or other means used to extinguish a fire;
 - (b)** Explosion of gas or unconsumed fuel within the furnace of any boiler or fired vessel or within the passages from that furnace to the atmosphere;
 - (c)** Any other explosion, except as specifically covered under this endorsement;
 - (d)** Vandalism;
 - (e)** Lightning; windstorm or hail; smoke; aircraft or vehicles; riot or civil commotion; sprinkler leakage; elevator collision;
 - (f)** Breakage of glass; falling objects; weight of snow, ice or sleet; freezing (caused by cold weather); collapse or molten material;
 - (g)** Flood, surface water, waves, tides, tidal waves, overflow of any body of water, or their spray, all whether driven by wind or not; mudslide or mudflow; or water that backs up or overflows from a sewer, drain or sump. However, if electrical “covered equipment” requires drying out because of the above, we will pay for the direct expenses of such drying out subject to the applicable Limit of Insurance and deductible for Building or Business Personal Property, whichever applies;
 - (h)** Any earth movement, including but not limited to earthquake, subsidence, sinkhole collapse, landslide, earth sinking, tsunami or volcanic action.
- (3)** With respect to Business Income, Extra Expense and Service Interruption coverages, we will also not pay for any increase in loss resulting from an agreement between you and your customer or supplier.
- (4)** Except as specifically provided under A.2.d. “Fungus,” Wet Rot, Dry Rot And Bacteria coverage we will not pay for loss, damage or expense caused directly or indirectly by the following, whether or not caused by or resulting from an “accident” or “electronic circuitry impairment”: Any “fungus,” wet rot, dry rot or bacteria, including any presence, growth, proliferation, spread or any activity of “fungus,” wet rot, dry rot or bacteria. This includes, but is not limited to, costs arising from clean up, removal, or abatement of such “fungus,” wet rot, dry rot or bacteria. However, this exclusion does not apply to spoilage of personal property that is “perishable goods,” to the extent that such spoilage is covered under Spoilage coverage.

(5) We will not pay for any loss or damage to animals.

c. Exclusions b.(2)(e) and b.(2)(f) above shall not apply if:

- (1)** The excluded cause of loss occurs away from any covered location and causes an electrical surge or other electrical disturbance;
- (2)** Such surge or disturbance is transmitted through utility service transmission lines to the covered location and results in an “accident” or “electronic circuitry impairment”; and
- (3)** The loss, damage or expense caused by such surge or disturbance is not covered elsewhere under the policy.

d. Any cause of loss set forth in exclusion b.(2)(f) above that is not a Covered Cause of Loss in this coverage part shall apply only as respects Service Interruption coverage.

4. DEFINITIONS

The following definitions are added with respect to this endorsement only:

a. “Accident”

- (1)** “Accident” means a fortuitous event that causes direct physical damage to “covered equipment.” The event must be one of the following:

- (a) Mechanical breakdown, including rupture or bursting caused by centrifugal force;
 - (b) Artificially generated electrical current, including electric arcing, that disturbs electrical devices, appliances or wires;
 - (c) Explosion of steam boilers, steam pipes, steam engines or steam turbines owned or leased by you, or operated under your control;
 - (d) Loss or damage to steam boilers, steam pipes, steam engines or steam turbines caused by or resulting from any condition or event inside such equipment; or
 - (e) Loss or damage to hot water boilers or other water heating equipment caused by or resulting from any condition or event inside such boilers or equipment.
- (2) None of the following is an “accident”:
- (a) Defect, programming error, programming limitation, computer virus, malicious code, loss of “data,” loss of access, loss of use, loss of functionality or other condition within or involving “data” or “media” of any kind; or
 - (b) Misalignment, miscalibration, tripping off-line, or any condition which can be corrected by resetting, tightening, adjusting or cleaning, or by the performance of maintenance.
- However, if an “accident” results, we will pay for the resulting loss, damage or expense caused by that “accident.”

b. “Boilers and vessels” means:

- (1) Any boiler, including attached steam, condensate and feedwater piping; and
- (2) Any fired or unfired pressure vessel subject to vacuum or internal pressure other than the static pressure of its contents.

This term does not appear elsewhere in this endorsement, but may appear in a Schedule, Declarations or Change Endorsement.

c. “Cloud computing services” means professional, on-demand, self-service data storage or data processing services provided through the Internet or over telecommunications lines. This includes services known as IaaS (infrastructure as a service), PaaS (platform as a service), SaaS (software as a service) and NaaS (network as a service). This includes business models known as public clouds, community clouds and hybrid clouds. “Cloud computing services” include private clouds if such services are owned and operated by a third party.

d. “Covered equipment”

- (1) “Covered equipment” means, unless otherwise specified in a Schedule, Declarations or Change Endorsement, Covered Property:
 - (a) That generates, transmits or utilizes energy; or
 - (b) Which, during normal usage, operates under vacuum or pressure, other than the weight of its contents.

“Covered equipment” may utilize conventional design and technology or new or newly commercialized design and technology.

(2) None of the following is “covered equipment”:

- (a) Structure, foundation, cabinet or compartment;
- (b) Insulating or refractory material;
- (c) Sewer piping, buried vessels or piping, or piping forming a part of a sprinkler or fire suppression system;
- (d) Water piping other than boiler feedwater piping, boiler condensate return piping or water piping forming a part of a refrigerating or air conditioning system;
- (e) “Vehicle” or any equipment mounted on a “vehicle”;
- (f) Satellite, spacecraft or any equipment mounted on a satellite or spacecraft;
- (g) Dragline, excavation or construction equipment; or
- (h) Equipment manufactured by you for sale.

- e. "Data" means information or instructions stored in digital code capable of being processed by machinery.
- f. "Electronic circuitry" means microelectronic components, including but not limited to circuit boards, integrated circuits, computer chips and disk drives.
- g. "Electronic circuitry impairment"
 - (1) "Electronic circuitry impairment" means a fortuitous event involving "electronic circuitry" within "covered equipment" that causes the "covered equipment" to suddenly lose its ability to function as it had been functioning immediately before such event. This definition is subject to the conditions specified in (2), (3) and (4) below.
 - (2) We shall determine that the reasonable and appropriate remedy to restore such "covered equipment's" ability to function is the replacement of one or more "electronic circuitry" components of the "covered equipment."
 - (3) The "covered equipment" must be owned or leased by you, or operated under your control.
 - (4) None of the following is an "electronic circuitry impairment":
 - (a) Any condition that can be reasonably remedied by:
 - i. Normal maintenance, including but not limited to replacing expendable parts, recharging batteries or cleaning;
 - ii. Rebooting, reloading or updating software or firmware; or
 - iii. Providing necessary power or supply.
 - (b) Any condition caused by or related to:
 - i. Incompatibility of the "covered equipment" with any software or equipment installed, introduced or networked within the prior 30 days; or
 - ii. Insufficient size, capability or capacity of the "covered equipment."
 - (c) Exposure to adverse environmental conditions, including but not limited to change in temperature or humidity, unless such conditions result in an observable loss of functionality. Loss of warranty shall not be considered an observable loss of functionality.
- h. "Hazardous substance" means any substance that is hazardous to health or has been declared to be hazardous to health by a governmental agency.
- i. "Media" means material on which "data" is recorded, such as solid state drives, hard disks, optical disks, flash drives, magnetic tapes or floppy disks.
- j. "One equipment breakdown" means: If an initial "accident" or "electronic circuitry impairment" causes other "accidents" or "electronic circuitry impairments," all will be considered "one equipment breakdown." All "accidents" or "electronic circuitry impairments" that are the result of the same "accident" or "electronic circuitry impairment" will be considered "one equipment breakdown."
- k. "Perishable goods" means personal property maintained under controlled conditions for its preservation, and susceptible to loss or damage if the controlled conditions change.
- l. "Production machinery" means any machine or apparatus that processes or produces a product intended for eventual sale. This includes all component parts of such machine or apparatus and any other equipment used exclusively with such machine or apparatus. However, "production machinery" does not mean any boiler, or fired or unfired pressure vessel. This term does not appear elsewhere in this endorsement, but may appear in a Schedule, Declarations or Change Endorsement.
- m. "Schedule" means the Equipment Breakdown Coverage Schedule.
- n. "Vehicle" means any machine or apparatus that is used for transportation or moves under its own power. "Vehicle" includes, but is not limited to: car, truck, bus, trailer, train, aircraft, watercraft, forklift, bulldozer, tractor or harvester.

However, any property that is stationary, permanently installed at a covered location and that receives electrical power from an external power source will not be considered a "vehicle."

B. The Building and Personal Property Coverage Form is modified as follows.

The definitions stated above also apply to section B. of this endorsement.

1. DEDUCTIBLE

The deductible in the Declarations applies unless a separate Equipment Breakdown deductible is shown in a Schedule, Declarations or Change Endorsement. If a separate Equipment Breakdown deductible is shown, the following applies.

Only as regards Equipment Breakdown Coverage, provision D. DEDUCTIBLE is deleted and replaced with the following:

a. Deductibles for Each Coverage

- (1) Unless the Schedule, Declarations or Change Endorsement indicates that your deductible is combined for all coverages, multiple deductibles may apply to any "one equipment breakdown."
- (2) We will not pay for loss, damage or expense under any coverage until the amount of the covered loss, damage or expense exceeds the deductible amount indicated for that coverage in the Schedule, Declarations or Change Endorsement. We will then pay the amount of loss, damage or expense in excess of the applicable deductible amount, subject to the applicable limit.
- (3) If deductibles vary by type of "covered equipment" and more than one type of "covered equipment" is involved in any "one equipment breakdown," only the highest deductible for each coverage will apply.

b. Direct and Indirect Coverages

- (1) Direct Coverages Deductibles and Indirect Coverages Deductibles may be indicated in the Schedule, Declarations or Change Endorsement.
- (2) Unless more specifically indicated in the Schedule, Declarations or Change Endorsement:
 - (a) Indirect Coverages Deductibles apply to Business Income and Extra Expense loss; and
 - (b) Direct Coverages Deductibles apply to all remaining loss, damage or expense covered by this endorsement.

c. Application of Deductibles

(1) Dollar Deductibles

We will not pay for loss, damage or expense resulting from any "one equipment breakdown" until the amount of loss, damage or expense exceeds the applicable deductible shown in the Schedule, Declarations or Change Endorsement. We will then pay the amount of loss, damage or expense in excess of the applicable deductible or deductibles, up to the applicable Limit of Insurance.

(2) Time Deductible

If a time deductible is shown in the Schedule, Declarations or Change Endorsement, we will not be liable for any loss occurring during the specified number of hours or days immediately following the "accident" or "electronic circuitry impairment." If a time deductible is expressed in days, each day shall mean twenty-four consecutive hours.

(3) Multiple of Average Daily Value (ADV)

If a deductible is expressed as a number times ADV, that amount will be calculated as follows: The ADV (Average Daily Value) will be the Business Income (as defined in any Business Income coverage that is part of this policy) that would have been earned during the period of interruption of business had no "accident" or "electronic circuitry impairment" occurred, divided by the number of working days in that period. No reduction shall be made for the Business Income not being earned, or in the number of working days, because of the "accident" or "electronic circuitry impairment" or any other scheduled or unscheduled shutdowns during the period of interruption. The ADV applies to the Business Income value of the entire location, whether or not the loss affects the entire location. If more than one location is included in the valuation of the loss, the ADV will be the combined value of all affected locations. For purposes of this calculation, the period of interruption may not extend beyond the "period of restoration." The number indicated in the Schedule, Declarations or Change Endorsement will be multiplied by the ADV as determined above. The result shall be used as the applicable deductible.

(4) Percentage of Loss Deductibles

If a deductible is expressed as a percentage of loss, we will not be liable for the indicated percentage of the gross amount of loss, damage or expense (prior to any applicable deductible or coinsurance) insured under the applicable coverage. If the dollar amount of such percentage is less than the indicated minimum deductible, the minimum deductible will be the applicable deductible.

2. CONDITIONS

- a. The following conditions are in addition to the Conditions in the Building and Personal Property Coverage Form, the Commercial Property Conditions and the Common Policy Conditions.

(1) Suspension

Whenever "covered equipment" is found to be in, or exposed to, a dangerous condition, any of our representatives may immediately suspend the insurance against loss from an "accident" or "electronic circuitry impairment" to that "covered equipment." This can be done by mailing or delivering a written notice of suspension to:

- (a) Your last known address; or
- (b) The address where the "covered equipment" is located.

Once suspended in this way, your insurance can be reinstated only by an endorsement for that "covered equipment." If we suspend your insurance, you will get a pro rata refund of premium for that "covered equipment" for the period of suspension. But the suspension will be effective even if we have not yet made or offered a refund.

(2) Jurisdictional Inspections

If any property that is "covered equipment" under this endorsement requires inspection to comply with state or municipal boiler and pressure vessel regulations, we agree to perform such inspection on your behalf. We do not warrant that conditions are safe or healthful.

(3) Coinsurance

If a coinsurance percentage is shown in a Schedule, Declarations or Change Endorsement for specified coverages, the following condition applies.

We will not pay for the full amount of your loss if the applicable limit is less than the product of the specified coinsurance percentage times the value of the property subject to the coverage at the time of the loss. Instead, we will determine what percentage this calculated product is compared to the applicable limit and apply that percentage to the gross amount of loss. We will then subtract the applicable deductible. The resulting amount, or the applicable limit, is the most we will pay. We will not pay for the remainder of the loss. Coinsurance applies separately to each insured location

- b. As respects this endorsement only, the Valuation Condition in the Building and Personal Property Coverage Form is deleted and replaced with the following:

Valuation

We will determine the value of Covered Property as follows:

- (1) Except as specified otherwise, our payment for damaged Covered Property will be the smallest of:
 - (a) The cost to repair the damaged property;
 - (b) The cost to replace the damaged property on the same site; or
 - (c) The amount you actually spend that is necessary to repair or replace the damaged property.
- (2) The amount of our payment will be based on the most cost-effective means to replace the function, capacity and remaining useful life of the damaged property. This may include the use of generic, used or reconditioned parts, equipment or property.
- (3) Except as described in (4) below, you must pay the extra cost of replacing damaged property with property of a better kind or quality or of a different size or capacity.
- (4) Environmental, Safety and Efficiency Improvements
If "covered equipment" requires replacement due to an "accident" or "electronic circuitry

impairment,” we will pay your additional cost to replace with equipment that is better for the environment, safer for people or more energy or water efficient than the equipment being replaced. However, we will not pay to increase the size or capacity of the equipment and we will not pay more than 150% of what the cost would have been to replace with like kind and quality.

This provision does not apply to the replacement of component parts or to any property to which Actual Cash Value applies and does not increase any of the applicable limits.

- (5)** The following property will be valued on an Actual Cash Value basis:
- (a)** Any property that does not currently serve a useful or necessary function for you;
 - (b)** Any Covered Property that you do not repair or replace within 24 months after the date of the “accident” or “electronic circuitry impairment”; and
 - (c)** Any Covered Property for which Actual Cash Value coverage is specified in a Schedule, Declarations or Change Endorsement.

Actual Cash Value includes deductions for depreciation.

- (6)** If any one of the following conditions is met, property held for sale by you will be valued at the sales price as if no loss or damage had occurred, less any discounts and expenses that otherwise would have applied:
- (a)** The property was manufactured by you;
 - (b)** The sales price of the property is less than the replacement cost of the property; or
 - (c)** You are unable to replace the property before its anticipated sale.
- (7)** Except as specifically provided for under Data Restoration coverage, “data” and “media” will be valued on the following basis:
- (a)** For mass produced and commercially available software, at the replacement cost.
 - (b)** For all other “data” and “media,” at the cost of blank “media” for reproducing the records. We will not pay for “data” representing financial records based on the face value of such records.

The most we will pay for loss, damage or expense under this endorsement arising from any “one equipment breakdown” is the applicable Limit of Insurance in the Declarations unless otherwise shown in a Schedule, Declarations or Change Endorsement. Coverage provided under this endorsement does not provide an additional amount of insurance.

COLORADO CHANGES
Amendatory Endorsement

This endorsement changes the policy. Please read it carefully.

This endorsement modifies the insurance provided under the following:

Cyber Suite Coverage

E. ADDITIONAL CONDITIONS, 5. Extended Reporting Periods, paragraph **b.(2)** is deleted and replaced with the following:

- (2)** Upon payment of the additional premium of 100% of the full annual premium associated with the relevant coverage, a Supplemental Extended Reporting Period of one year immediately following the effective date of the "termination of coverage" during which you may first receive notice of a "claim" or "regulatory proceeding" arising directly from a "wrongful act" occurring before the end of the "policy period" and which is otherwise insured by this coverage endorsement.

To obtain the Supplemental Extended Reporting Period, you must request it in writing and pay the additional premium due, within 60 days after the effective date of "termination of coverage". The additional premium for the Supplemental Extended Reporting Period will be fully earned at the inception of the Supplemental Extended Reporting Period. If we do not receive the written request as required, you may not exercise this right at a later date.

This insurance, provided during the Supplemental Extended Reporting Period, is excess over any other valid and collectible insurance that begins or continues in effect after the Supplemental Extended Reporting Period becomes effective, whether the other insurance applies on a primary, excess, contingent, or any other basis.

Upon your request, you shall be provided within 30 days thereafter, sufficient information about closed or paid claims, claims for which the company has established reserves, and claims for which the company has received notices of occurrences which could give rise to claims to allow you to determine how much of your aggregate coverage remains available under the policy.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

CYBER INCIDENT EXCLUSION

This endorsement modifies insurance provided under the following:

BUILDING AND PERSONAL PROPERTY COVERAGE FORM

A. The following exclusion is added to Paragraph B. Exclusions:

Items (4) and (5) below apply only if there has been a notification of the “personal data compromise” to “affected individuals” as covered under item (3) below.

(1) Forensic IT Review

We will pay for a professional information technologies review if needed to determine, within the constraints of what is possible and reasonable, the nature and extent of the “personal data compromise” and the number and identities of the “affected individuals”.

However, once it is determined that there was no covered “personal data compromise”, we will not pay for any further costs.

SECTION I – COVERAGES

COVERAGE A – BODILY INJURY AND PROPERTY DAMAGE LIABILITY

1. Insuring Agreement

a. We will pay those sums that the insured becomes legally obligated to pay as damages because of "bodily injury" or "property damage" to which this insurance applies. We will have the right and duty to defend the insured against any "suit" seeking those damages. However, we will have no duty to defend the insured against any "suit" seeking damages for "bodily injury" or "property damage" to which this insurance does not apply. We may, at our discretion, investigate any "occurrence" and settle any claim or "suit" that may result. But:

- (1) The amount we will pay for damages is limited as described in Section **III** – Limits Of Insurance; and
- (2) Our right and duty to defend ends when we have used up the applicable limit of insurance in the payment of judgments or settlements under Coverages **A** or **B** or medical expenses under Coverage **C**.

No other obligation or liability to pay sums or perform acts or services is covered unless explicitly provided for under Supplementary Payments – Coverages **A** and **B**.

b. This insurance applies to "bodily injury" and "property damage" only if:

- (1) The "bodily injury" or "property damage" is caused by an "occurrence" that takes place in the "coverage territory";
- (2) The "bodily injury" or "property damage" occurs during the policy period; and
- (3) Prior to the policy period, no insured listed under Paragraph **1.** of Section **II** – Who Is An Insured and no "employee" authorized by you to give or receive notice of an "occurrence" or claim, knew that the "bodily injury" or "property damage" had occurred, in whole or in part. If such a listed insured or authorized "employee" knew, prior to the policy period, that the "bodily injury" or "property damage" occurred, then any continuation, change or resumption of such "bodily injury" or "property damage" during or after the policy period will be deemed to have been known prior to the policy period.

c. "Bodily injury" or "property damage" which occurs during the policy period and was not, prior to the policy period, known to have occurred by any insured listed under Paragraph **1.** of Section **II** – Who Is An Insured or any "employee" authorized by you to give or receive notice of an "occurrence" or claim, includes any continuation, change or resumption of that "bodily injury" or "property damage" after the end of the policy period.

d. "Bodily injury" or "property damage" will be deemed to have been known to have occurred at the earliest time when any insured listed under Paragraph **1.** of Section **II** – Who Is An Insured or any "employee" authorized by you to give or receive notice of an "occurrence" or claim:

- (1) Reports all, or any part, of the "bodily injury" or "property damage" to us or any other insurer;

Solely for the purposes of liability assumed in an "insured contract", reasonable attorneys' fees and necessary litigation expenses incurred by or for a party other than an insured are deemed to be damages because of "bodily injury" or "property damage", provided:
 - (a) Liability to such party for, or for the cost of, that party's defense has also been assumed in the same "insured contract"; and

- a. To join us as a party or otherwise bring us into a "suit" asking for damages from an insured; or
- b. To sue us on this Coverage Part unless all of its terms have been fully complied with.

A person or organization may sue us to recover on an agreed settlement or on a final judgment against an insured; but we will not be liable for damages that are not payable under the terms of this Coverage Part or that are in excess of the applicable limit of insurance. An agreed settlement means a settlement and release of liability signed by us, the insured and the claimant or the claimant's legal representative.

4. Other Insurance

If other valid and collectible insurance is available to the insured for a loss we cover under Coverages **A** or **B** of this Coverage Part, our obligations are limited as follows:

a. Primary Insurance

This insurance is primary except when Paragraph **b.** below applies. If this insurance is primary, our obligations are not affected unless any of the other insurance is also primary. Then, we will share with all that other insurance by the method described in Paragraph **c.** below.

b. Excess Insurance

(1) This insurance is excess over:

(a) Any of the other insurance, whether primary, excess, contingent or on any other basis:

(i) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";

(ii) That is Fire insurance for premises rented to you or temporarily occupied by you with permission of the owner;

(iii) That is insurance purchased by you to cover your liability as a tenant for "property damage" to premises rented to you or temporarily occupied by you with permission of the owner; or

(iv) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to Exclusion **g.** of Section **I** – Coverage **A** – Bodily Injury And Property Damage Liability.

(b) Any other primary insurance available to you covering liability for damages arising out of the premises or operations, or the products and completed operations, for which you have been added as an additional insured.

(2) When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend the insured against any "suit" if any other insurer has a duty to defend the insured against that "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

(3) When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

(a) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and

(b) The total of all deductible and self-insured amounts under all that other insurance.

(4) We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Method Of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

5. Premium Audit

a. We will compute all premiums for this Coverage Part in accordance with our rules and rates.

b. Premium shown in this Coverage Part as advance premium is a deposit premium only. At the close of each audit period we will compute the earned premium for that period and send notice to the first Named Insured. The due date for audit and retrospective premiums is the date shown as the due date on the bill. If the sum of the advance and audit premiums paid for the policy period is greater than the earned premium, we will return the excess to the first Named Insured.

c. The first Named Insured must keep records of the information we need for premium computation, and send us copies at such times as we may request.

6. Representations

By accepting this policy, you agree:

a. The statements in the Declarations are accurate and complete;

- b. Those statements are based upon representations you made to us; and
- c. We have issued this policy in reliance upon your representations.

7. Separation Of Insureds

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this Coverage Part to the first Named Insured, this insurance applies:

- a. As if each Named Insured were the only Named Insured; and
- b. Separately to each insured against whom claim is made or "suit" is brought.

8. Transfer Of Rights Of Recovery Against Others To Us

If the insured has rights to recover all or part of any payment we have made under this Coverage Part, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them.

9. When We Do Not Renew

If we decide not to renew this Coverage Part, we will mail or deliver to the first Named Insured shown in the Declarations written notice of the nonrenewal not less than 30 days before the expiration date.

If notice is mailed, proof of mailing will be sufficient proof of notice.

- b. If a “claim” is made or “suit” is brought against any insured, you must:
 - 1) Immediately record the specifics of the “claims” or “suit” and the date received; and
 - 2) Notify us as soon as practicable.You must see to it that we receive written notice of the “claim” or “suit” as soon as practicable.

- d. No insured will, except at the insured’s own cost, voluntarily make a payment, assume any obligation or incur any expense without our consent.

4. Other Insurance

If other valid and collectible insurance is available to the insured for a loss we cover under this endorsement, our obligations are limited as follows:

a. Primary Insurance

This insurance is primary except when **b.** below applies. If this insurance is primary, our obligations are not affected unless any of the other insurance is also primary. Then, we will share with all that other insurance by the method described in **c.** below.

b. Excess Insurance

Any other primary insurance available to you covering acts, errors or omissions for which you have been added as an additional insured.

When this insurance is excess, we will have no duty to defend the insured against any “suit” if any other insurer has a duty to defend the insured against that “suit.” If no other insurer defends, we may undertake to do so, but we will be entitled to the insured’s rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

- 1) The total amount that all such other insurance would pay for the loss in absence of this insurance; and
- 2) The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown.

c. Method Of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limits of insurance of all insurers.
