Residential Condominium Building Association Form

Standard Flood Insurance Policy

RESIDENTIAL CONDOMINIUM BUILDING ASSOCIATION FORM

I. AGREEMENT

PLEASE READ THE POLICY CAREFULLY. THE FLOOD INSURANCE PROVIDED IS SUBJECT TO LIMITATIONS, RESTRICTIONS, AND EXCLUSIONS.

This policy covers only a residential condominium building in a regular program community. If the community reverts to emergency program status during the policy term and remains as an emergency program community at time of renewal, this policy cannot be renewed.

We will pay you for *direct physical loss by or from flood* to your insured property if you:

- 1. Have paid the correct premium;**
- 2. Comply with all terms and conditions of this *policy*; and**
- 3. Have furnished accurate information and statements.**

We have the right to review the information you give us at any time and to revise your *policy* based on our review.

II. DEFINITIONS

- A. In this *policy*, "you" and "your" refer to the insured(s) shown on the *Declarations Page* of this *policy*. Insured(s) includes: Any mortgagee and loss payee named in the *Application* and *Declarations Page*, as well as any other mortgagee or loss payee determined to exist at the time of loss in the order of precedence. "We," "us," and "our" refer to the insurer.

Some definitions are complex because they are provided as they appear in the law or regulations, or result from court cases. The precise definitions are intended to protect you.

Flood, as used in this flood insurance *policy*, means:

1. A general and temporary condition of partial or complete inundation of two or more acres of normally dry land area or of two or more properties (one of which is your property) from:
 - a. Overflow of inland or tidal waters;
 - b. Unusual and rapid accumulation or runoff of surface waters from any source;
 - c. *Mudflow*.
2. Collapse or subsidence of land along the shore of a lake or similar body of water as a result of erosion or undermining caused by waves or currents of water exceeding anticipated cyclical levels which result in a *flood* as defined in A.1.a above.

B. The following are the other key definitions that we use in this *policy*:

1. ***Act***. The National Flood Insurance Act of 1968 and any amendments to it.
2. ***Actual Cash Value***. The cost to replace an insured item of property at the time of loss, less the value of its physical depreciation.
3. ***Application***. The statement made and signed by you or your agent in applying for this *policy*. The *application* gives information we use to determine the eligibility of the risk, the kind of *policy* to be

issued, and the correct premium payment. The *application* is part of this flood insurance *policy*. For us to issue you a *policy*, the correct premium payment must accompany the *application*.

4. **Base Flood.** A *flood* having a one percent chance of being equaled or exceeded in any given year.
5. **Basement.** Any area of the *building*, including any sunken room or sunken portion of a room, having its floor below ground level (subgrade) on all sides.
6. **Building.**
 - a. A structure with two or more outside rigid walls and a fully secured roof, that is affixed to a permanent site;
 - b. A manufactured home ("a manufactured home," also known as a mobile home, is a structure: built on a permanent chassis, transported to its site in one or more sections, and affixed to a permanent foundation); or
 - c. A travel trailer without wheels, built on a chassis and affixed to a permanent foundation, that is regulated under the community's floodplain management and building ordinances or laws.

Building does not mean a gas or liquid storage tank or a recreational vehicle, park trailer or other similar vehicle, except as described in *B.6.c.*, above.

7. **Cancellation.** The ending of the insurance coverage provided by this *policy* before the expiration date.
8. **Condominium.** That form of ownership of real property in which each *unit* owner has an undivided interest in common elements.
9. **Condominium Association.** The entity, formed by the *unit* owners, responsible for the maintenance and operation of:
 - a. Common elements owned in undivided shares by *unit* owners; and

- b. Other real property in which the *unit* owners have use rights; where membership in the entity is a required condition of *unit* ownership.
10. ***Declarations Page.*** A computer-generated summary of information you provided in the *application* for insurance. The *Declarations Page* also describes the term of the *policy*, limits of coverage, and displays the premium and our name. The *Declarations Page* is a part of this flood insurance *policy*.
11. ***Described Location.*** The location where the insured *building* or personal property is found. The *described location* is shown on the *Declarations Page*.
12. ***Direct Physical Loss By or From Flood.*** Loss or damage to insured property, directly caused by a *flood*. There must be evidence of physical changes to the property.
13. ***Elevated Building.*** A *building* that has no *basement* and that has its lowest elevated floor raised above ground level by foundation walls, shear walls, posts, piers, pilings, or columns.
14. ***Emergency Program.*** The initial phase of a community's participation in the *National Flood Insurance Program*. During this phase, only limited amounts of insurance are available under the *Act*.
15. ***Expense Constant.*** The insured is not responsible for a flat charge on each new or renewal *policy* to defray the expenses of the Federal Government related to flood insurance.
16. ***Federal Policy Fee.*** The insured is not responsible for a flat charge on each new or renewal *policy* to defray certain administrative expenses incurred in carrying out the *National Flood Insurance Program*. This fee covers expenses not covered by the *expense constant*.
17. ***Improvements.*** Fixtures, alterations, installations, or additions comprising a part of the *residential condominium building*,

including *improvements* in the *units*.

18. ***Mudflow.*** A river of liquid and flowing mud on the surfaces of normally dry land areas, as when earth is carried by a current of water. Other earth movements, such as landslide, slope failure, or a saturated soil mass moving by liquidity down a slope, are not mudflows.
19. ***National Flood Insurance Program (NFIP).*** The program of flood insurance coverage and floodplain management administered under the *Act* and applicable Federal regulations in Title 44 of the Code of Federal Regulations, Subchapter B.
20. ***Policy.*** The entire written contract between you and us. It includes:
 - a. This printed form;
 - b. The *application* and *Declarations Page*;
 - c. Any endorsement(s) that may be issued; and
 - d. Any renewal certificate indicating that coverage has been instituted for a new *policy* and new *policy* term.

Only one *building*, which you specifically described in the *application*, may be insured under this *policy*.
21. ***Pollutants.*** Substances that include, but are not limited to, any solid, liquid, gaseous, or thermal irritant or contaminant, including smoke, vapor, soot, fumes, acids, alkalis, chemicals, and waste. "Waste" includes, but is not limited to, materials to be recycled, reconditioned, or reclaimed.
22. ***Post-FIRM Building.*** A *building* for which construction or substantial improvement occurred after December 31, 1974, or on or after the effective date of an initial Flood Insurance Rate Map (FIRM), whichever is later.
23. ***Probation Premium.*** A flat charge you must pay on each new or renewal *policy* issued covering property in a community that the NFIP has placed on probation under the provisions of 44 CFR 59.24.
24. ***Regular Program.*** The final phase of a community's participation in

the *National Flood Insurance Program*. In this phase, a Flood Insurance Rate Map is in effect and full limits of coverage are available under the *Act*.

25. ***Residential Condominium Building.*** A building, owned and administered as a *condominium*, containing one or more family *units* and in which at least 75% of the floor area is residential.
26. ***Special Flood Hazard Area.*** An area having special *flood* or *mudflow*, and/or *flood*-related erosion hazards, and shown on a Flood Hazard Boundary Map or Flood Insurance Rate Map as Zone A, AO, A1-A30, AE, A99, AH, AR, AR/A, AR/AE, AR/AH, AR/AO, AR/A1-A30, V1-V30, VE, or V.
27. ***Unit.*** A single-family *unit* in a *residential condominium building*.
28. ***Valued Policy.*** A *policy* in which the insured and the insurer agree on the value of the property insured, that value being payable in the event of a total loss. The Standard Flood Insurance Policy is not a *valued policy*.
29. ***Policy Fee.*** A flat charge you must pay on each new or renewal *policy*.
30. ***Private Flood Insurance Policy (“PFIP”).*** This *policy*.

3. Eligibility.

- a. A structure covered under Coverage *A*—Building Property sustaining a loss caused by a *flood* as defined by this *policy* must:
- (1) Be a "repetitive loss structure." A "repetitive loss structure" is one that meets the following conditions:
 - (a) The structure is covered by a contract of flood insurance issued under the *PFIP*.
 - (b) The structure has suffered *flood* damage on 2 occasions during a 10-year period which ends on the date of the second loss.
 - (c) The cost to repair the *flood* damage, on average, equaled or exceeded 25% of the market value of the structure at the time of each *flood* loss.
 - (d) In addition to the current claim, the *NFIP* and/or *PFIP* must have paid the previous qualifying claim, and the State or community must have a cumulative, substantial damage provision or repetitive loss provision in its floodplain management law or ordinance being enforced against the structure; or

- (2) Be a structure that has had *flood* damage in which the cost to repair equals or exceeds 50% of the market value of the structure at the time of the *flood*. The State or community must have a substantial damage provision in its floodplain management law or ordinance being enforced against the structure.
- b. This Coverage D pays you to comply with State or local floodplain management laws or ordinances that meet the minimum standards of the *National Flood Insurance Program* found in the Code of Federal Regulations at 44 CFR 60.3. We pay for compliance activities that exceed those standards under these conditions:
- (1) 3.a.(1) above.
 - (2) Elevation or floodproofing in any risk zone to preliminary or advisory *base flood* elevations provided by FEMA which the State or local government has adopted and is enforcing for *flood-damaged* structures in such areas. (This includes compliance activities in B, C, X, or D zones which are being changed to zones with *base flood* elevations. This also includes compliance activities in zones where *base flood* elevations are being increased, and a *flood-damaged* structure must comply with the higher advisory *base flood* elevation.) Increased Cost of Compliance coverage does not apply to situations in B, C, X, or D zones where the community has derived its own elevations and is enforcing elevation or floodproofing requirements for *flood-damaged* structures to elevations derived solely by the community.
 - (3) Elevation or floodproofing above the *base flood* elevation to meet State or local "freeboard" requirements, i.e., that a structure must be elevated above the *base flood* elevation.
- c. Under the minimum *NFIP* criteria at 44 CFR 60.3 (b)(4), States and communities must require the elevation or floodproofing of structures in unnumbered A zones to the *base flood* elevation

where elevation data is obtained from a Federal, State, or other source. Such compliance activities are also eligible for Coverage *D*.

- d. This coverage will also pay for the incremental cost, after demolition or relocation, of elevating or floodproofing a structure during its rebuilding at the same or another site to meet State or local floodplain management laws or ordinances, subject to Exclusion *D.5.g.* below relating to improvements.
- e. This coverage will also pay to bring a *flood*-damaged structure into compliance with State or local floodplain management laws or ordinances even if the structure had received a variance before the present loss from the applicable floodplain management requirements.

4. Conditions.

- a. When a structure covered under Coverage A—Building Property sustains a loss caused by a *flood*, our payment for the loss under this Coverage D will be for the increased cost to elevate, floodproof, relocate, or demolish (or any combination of these activities) caused by the enforcement of current State or local floodplain management ordinances or laws. Our payment for eligible demolition activities will be for the cost to demolish and clear the site of the *building* debris or a portion thereof caused by the enforcement of current State or local floodplain management ordinances or laws. Eligible activities for the cost of clearing the site will include those necessary to discontinue utility service to the site and ensure proper abandonment of on-site utilities.
- b. When the *building* is repaired or rebuilt, it must be intended for the same occupancy as the present building unless otherwise required by current floodplain management ordinances or laws.

5. Exclusions.

Under this Coverage *D*—Increased Cost of Compliance, we will not

pay for:

- a. The cost to comply with any floodplain management law or ordinance in communities participating in the *Emergency Program*.
- b. The cost associated with enforcement of any ordinance or law that requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of *pollutants*.
- c. The loss in value to any insured *building* or other structure due to the requirements of any ordinance or law.
- d. The loss in residual value of the undamaged portion of a *building* demolished as a consequence of enforcement of any State or local floodplain management law or ordinance.
- e. Any Increased Cost of Compliance under this Coverage *D*:
 - (1) Until the *building* is elevated, floodproofed, demolished, or relocated on the same or to another premises; and
 - (2) Unless the *building* is elevated, floodproofed, demolished, or relocated as soon as reasonably possible after the loss, not to exceed two years.
- f. Any code upgrade requirements, e.g., plumbing or electrical wiring, not specifically related to the State or local floodplain management law or ordinance.
- g. Any compliance activities needed to bring additions or *improvements* made after the loss occurred into compliance with State or local floodplain management laws or ordinances.
- h. Loss due to any ordinance or law that you were required to comply with before the current loss.
- i. Any rebuilding activity to standards that do not meet the *NFIP's* minimum requirements. This includes any situation where the insured has received from the State or community a variance in connection with the current *flood* loss to rebuild the property to an elevation below the *base flood* elevation.

- j. Increased Cost of Compliance for a garage or carport.
 - k. Any structure insured under an *NFIP* Group Flood Insurance Policy.
 - l. Assessments made by a condominium association on individual condominium unit owners to pay increased costs of repairing commonly owned buildings after a flood in compliance with State or local floodplain management ordinances or laws.
6. Other Provisions.
- a. Increased Cost of Compliance coverage will not be included in the calculation to determine whether coverage meets the coinsurance requirement for replacement cost coverage under
VIII. General Conditions, V. Loss Settlement.
 - b. All other conditions and provisions of this *policy* apply.

IV. PROPERTY NOT COVERED

We do not cover any of the following:

1. Personal property not inside the fully enclosed *building*;
2. A *building*, and personal property in it, located entirely in, on, or over water or seaward of mean high tide, if constructed or substantially improved after September 30, 1982;
3. Open structures, including a *building* used as a boathouse or any structure or *building* into which boats are floated, and personal property located in, on, or over water;
4. Recreational vehicles other than travel trailers described in the Definitions Section (see *II.B.6.c.*) whether affixed to a permanent foundation or on wheels;
5. Self-propelled vehicles or machines, including their parts and equipment. However, we do cover self-propelled vehicles or machines, provided they are not licensed for use on public roads

and are:

- a. Used mainly to service the *described location*, or
 - b. Designed and used to assist handicapped persons, while the vehicles or machines are inside a *building* at the *described location*;
6. Land, land values, lawns, trees, shrubs, plants, growing crops, or animals;
 7. Accounts, bills, coins, currency, deeds, evidences of debt, medals, money, scrip, stored value cards, postage stamps, securities, bullion, manuscripts, or other valuable papers;
 8. Underground structures and equipment, including wells, septic tanks, and septic systems;
 9. Those portions of walks, walkways, decks, driveways, patios, and other surfaces, all whether protected by a roof or not, located outside the perimeter, exterior walls of the insured *building*;
 10. Containers, including related equipment, such as, but not limited to, tanks containing gases or liquids;
 11. *Buildings* and all their contents if more than 49% of the *actual cash value* of the *building* is below ground, unless the lowest level is at or above the *base flood* elevation and is below ground by reason of earth having been used as insulation material in conjunction with energy efficient building techniques;
 12. Fences, retaining walls, seawalls, bulkheads, wharves, piers, bridges, and docks;
 13. Aircraft or watercraft, or their furnishings and equipment;
 14. Hot tubs and spas that are not bathroom fixtures, and swimming pools, and their equipment such as, but not limited to, heaters, filters, pumps, and pipes, wherever located;
 15. Property not eligible for flood insurance pursuant to the provisions

- of the Coastal Barrier Resources Act and the Coastal Barrier Improvement Act of 1990 and amendments to these acts;
16. Personal property used in connection with any incidental commercial occupancy or use of the *building*.
-

V. EXCLUSIONS

- A. We only pay for *direct physical loss by or from flood*, which means that we do not pay you for:
1. Loss of revenue or profits;
 2. Loss of access to the insured property or *described location*;
 3. Loss of use of the insured property or *described location*;
 4. Loss from interruption of business or production;
 5. Any additional living expenses incurred while the insured *building* is being repaired or is unable to be occupied for any reason;
 6. The cost of complying with any ordinance or law requiring or regulating the construction, demolition, remodeling, renovation, or repair of property, including removal of any resulting debris. This exclusion does not apply to any eligible activities that we describe in Coverage *D*—Increased Cost of Compliance; or
 7. Any other economic loss.
- B. We do not insure a loss directly or indirectly caused by a *flood* that is already in progress at the time and date:
1. The *policy* term begins; or
 2. Coverage is added at your request.
- C. We do not insure for loss to property caused directly by earth movement even if the earth movement is caused by *flood*. Some examples of earth movement that we do not cover are:
1. Earthquake;

2. **Landslide;**
3. **Land subsidence;**
4. **Sinkholes;**
5. **Destabilization or movement of land that results from accumulation of water in subsurface land areas; or**
6. **Gradual erosion.**

We do, however, pay for losses from *mudflow* and land subsidence as a result of erosion that are specifically covered under our definition of *flood* (see *II.A.1.c.* and *II.A.2.*).

- D. We do not insure for direct physical loss caused directly or indirectly by:**
1. **The pressure or weight of ice;**
 2. **Freezing or thawing;**
 3. **Rain, snow, sleet, hail, or water spray;**
 4. **Water, moisture, mildew, or mold damage that results primarily from any condition:**
 - a. **Substantially confined to the insured *building*; or**
 - b. **That is within your control including, but not limited to:**
 - (1) **Design, structural, or mechanical defects;**
 - (2) **Failures, stoppages, or breakage of water or sewer lines, drains, pumps, fixtures, or equipment; or**
 - (3) **Failure to inspect and maintain the property after a *flood* recedes;**
 5. **Water or water-borne material that:**
 - a. **Backs up through sewers or drains;**
 - b. **Discharges or overflows from a sump, sump pump, or related equipment; or**
 - c. **Seeps or leaks on or through insured property;**

unless there is a *flood* in the area and the *flood* is the proximate cause of the sewer, drain, or sump pump discharge or overflow, or the seepage of water;

6. The pressure or weight of water unless there is a *flood* in the area and the *flood* is the proximate cause of the damage from the pressure or weight of water;
 7. Power, heating, or cooling failure unless the failure results from *direct physical loss by or from flood* to power, heating, or cooling equipment situated on the *described location*;
 8. Theft, fire, explosion, wind, or windstorm;
 9. Anything you or your agents do or conspire to do to cause loss by *flood* deliberately; or
 10. Alteration of the insured property that significantly increases the risk of flooding.
- E. We do not insure for loss to any *building* or personal property located on land leased from the Federal Government, arising from or incident to the flooding of the land by the Federal Government, where the lease expressly holds the Federal Government harmless under flood insurance issued under any Federal Government program.
- F. We do not pay for the testing for or monitoring of *pollutants* unless required by law or ordinance.

VI. DEDUCTIBLES

- A. When a loss is covered under this *policy*, we will pay only that part of the loss that exceeds the applicable deductible amount, subject to the limit of insurance that applies. The deductible amount is shown on the *Declarations Page*.

However, when a *building* under construction, alteration, or repair does not have at least two rigid exterior walls and a fully secured

roof at the time of loss, your deductible amount will be two times the deductible that would otherwise apply to a completed *building*.

- B. In each loss from *flood*, separate deductibles apply to the *building* and personal property insured by this *policy*.
- C. No deductible applies to:
 - 1. III.C.2. Loss Avoidance Measures; or
 - 2. III.D. Increased Cost of Compliance.

VII. COINSURANCE

- A. This Coinsurance Section applies only to coverage on the *building*.
- B. We will impose a penalty on loss payment unless the amount of insurance applicable to the damaged *building* is:
 - 1. At least 80% of its replacement cost; or
 - 2. The maximum amount of insurance available for that *building* under the *PFIP*,whichever is less.
- C. If the actual amount of insurance on the *building* is less than the required amount in accordance with the terms of *VII.B.* above, then loss payment is determined as follows (subject to all other relevant conditions in this *policy*, including those pertaining to valuation, adjustment, settlement, and payment of loss):
 - 1. Divide the actual amount of insurance carried on the *building* by the required amount of insurance.
 - 2. Multiply the amount of loss, before application of the deductible, by the figure determined in *C.1.* above.
 - 3. Subtract the deductible from the figure determined in *C.2.* above.

We will pay the amount determined in *C.3.* above, or the amount of insurance carried, whichever is less. The amount of insurance carried,

if in excess of the applicable maximum amount of insurance available under the *PFIP*, is reduced accordingly.

Examples

Example #1 (Inadequate Insurance)

Replacement value of the building	\$250,000
Required amount of insurance (80% of replacement value of \$250,000)	\$200,000
Actual amount of insurance carried	\$180,000
Amount of the loss	\$150,000
Deductible	\$500

Step 1: $180,000 \div 200,000 = .90$

(90% of what should be carried.)

Step 2: $150,000 \times .90 = 135,000$

Step 3: $135,000 - 500 = 134,500$

We will pay no more than \$134,500. The remaining \$15,500 is not covered due to the coinsurance penalty (\$15,000) and application of the deductible (\$500).

Example #2 (Adequate Insurance)

Replacement value of the building	\$500,000
Required amount of insurance (80% of replacement value of \$500,000)	\$400,000
Actual amount of insurance carried	\$400,000
Amount of the loss	\$200,000
Deductible	\$500

In this example there is no coinsurance penalty, because the actual amount of insurance carried meets the required amount. We will pay no more than \$199,500 (\$200,000 amount of loss minus the \$500 deductible).

D. In calculating the full replacement cost of a *building*:

- 1. The replacement cost value of any covered *building* property will be included;**
- 2. The replacement cost value of any *building* property not covered under this *policy* will not be included; and**
- 3. Only the replacement cost value of *improvements* installed by the *condominium association* will be included.**

VIII. GENERAL CONDITIONS

A. Pair and Set Clause.

In case of loss to an article that is part of a pair or set, we will have the option of paying you:

- 1. An amount equal to the cost of replacing the lost, damaged, or destroyed article, less depreciation; or**

2. An amount which represents the fair proportion of the total value of the pair or set that the lost, damaged, or destroyed article bears to the pair or set.

B. Concealment or Fraud and Policy Voidance.

1. With respect to all insureds under this *policy*, this *policy*:

- a. Is void,
- b. Has no legal force or effect,
- c. Cannot be renewed, and
- d. Cannot be replaced by a new *NFIP policy*, if, before or after a loss, you or any other insured or your agent have at any time:
 - (1) Intentionally concealed or misrepresented any material fact or circumstance,
 - (2) Engaged in fraudulent conduct, or
 - (3) Made false statements,relating to this *policy* or any other *PFIP* insurance.

2. This *policy* will be void as of the date the wrongful acts described in *B.1.* above were committed.

3. Fines, civil penalties, and imprisonment under applicable Federal laws may also apply to the acts of fraud or concealment described above.

4. This *policy* is also void for reasons other than fraud, misrepresentation, or wrongful act. This *policy* is void from its inception and has no legal force under the following conditions:

- a. If the property is located in a community that was not participating in the *NFIP* on the *policy's* inception date and did not join or re-enter the program during the *policy* term and before the loss occurred; or
- b. If the property listed on the *application* is not otherwise eligible for coverage under the *NFIP*.

C. Other Insurance.

- 1. If a loss covered by this *policy* is also covered by other insurance that includes *flood* coverage not issued under the *Act*, we will not pay more than the amount of insurance that you are entitled to for lost, damaged or destroyed property insured under this *policy* subject to the following:**
 - a. We will pay only the proportion of the loss that the amount of insurance that applies under this *policy* bears to the total amount of insurance covering the loss, unless *C.1.b.* or *c.* immediately below applies.**
 - b. If the other policy has a provision stating that it is excess insurance, this *policy* will be primary.**
 - c. This *policy* will be primary (but subject to its own deductible) up to the deductible in the other *flood* policy (except another policy as described in *C.1.b.* above). When the other deductible amount is reached, this *policy* will participate in the same proportion that the amount of insurance under this *policy* bears to the total amount of both policies, for the remainder of the loss.**
- 2. If there is a flood insurance policy in the name of a *unit* owner that covers the same loss as this *policy*, then this *policy* will be primary.**

D. Amendments, Waivers, Assignment.

This *policy* cannot be changed nor can any of its provisions be waived without the express written consent of the Underwriters. No action that we take under the terms of this *policy* constitutes a waiver of any of our rights. You may assign this *policy* in writing when you transfer title of your property to someone else except under these conditions:

- 1. When this *policy* covers only personal property; or**
- 2. When this *policy* covers a structure during the course of construction.**

E. Cancellation of Policy by You.

- 1. You may cancel this *policy* in accordance with the applicable rules and regulations of the *NFIP*.**
- 2. If you cancel this *policy*, you may be entitled to a full or partial refund of premium also under the applicable rules and regulations of the *NFIP*.**

F. Non-Renewal of the Policy by Us.

Your *policy* will not be renewed:

- 1. If the community where your covered property is located stops participating in the *NFIP*, or**
- 2. Your *building* has been declared ineligible under Section 1316 of the *Act*.**

G. Reduction and Reformation of Coverage.

- 1. If the premium we received from you was not enough to buy the kind and amount of coverage you requested, we will provide only the amount of coverage that can be purchased for the premium payment we received.**
- 2. The *policy* can be reformed to increase the amount of coverage resulting from the reduction described in *G.1.* above the amount that you requested as follows:**
 - a. Discovery of Insufficient Premium or Incomplete Rating Information Before a Loss.**
 - (1) If we discover before you have a *flood* loss that your premium payment was not enough to buy the requested amount of coverage, we will send you and any mortgagee or trustee known to us a bill for the required additional premium for the current *policy* term (or that portion of the current *policy* term following any endorsement changing the amount of coverage). If you or the mortgagee or trustee**

pay the additional premium within 30 days from the date of our bill, we will reform the *policy* to increase the amount of coverage to the originally requested amount effective to the beginning of the current *policy* term (or subsequent date of any endorsement changing the amount of coverage).

- (2) If we determine before you have a *flood* loss that the rating information we have is incomplete and prevents us from calculating the additional premium, we will ask you to send the required information. You must submit the information within 60 days of our request. Once we determine the amount of additional premium for the current *policy* term, we will follow the procedure in *G.2.a.(1)* above.
- (3) If we do not receive the additional premium (or additional information) by the date it is due, the amount of coverage can only be increased by endorsement subject to any appropriate waiting period.

b. Discovery of Insufficient Premium or Incomplete Rating Information After a Loss.

- (1) If we discover after you have a *flood* loss that your premium payment was not enough to buy the requested amount of coverage, we will send you and any mortgagee or trustee known to us a bill for the required additional premium for the current and the prior *policy* terms. If you or the mortgagee or trustee pay the additional premium within 30 days of the date of our bill, we will reform the *policy* to increase the amount of coverage to the originally requested amount effective to the beginning of the prior *policy* term.
- (2) If we discover after you have a *flood* loss that the rating information we have is incomplete and prevents us from calculating the additional premium, we will ask you to send the required information. You must submit the information before your claim can be paid. Once we determine the

amount of additional premium for the current and prior *policy* terms, we will follow the procedure in *G.2.b.(1)* above.

(3) If we do not receive the additional premium by the date it is due, your flood insurance claim will be settled based on the reduced amount of coverage. The amount of coverage can only be increased by endorsement subject to any appropriate waiting period.

3. However, if we find that you or your agent intentionally did not tell us, or falsified, any important fact or circumstance or did anything fraudulent relating to this insurance, the provisions of Condition *B. Concealment or Fraud and Policy Voidance* above apply.

H. Policy Renewal.

1. This *policy* will expire at 12:01 a.m. on the last day of the *policy* term.

2. We must receive the payment of the appropriate renewal premium within 30 days of the expiration date.

3. If we find, however, that we did not place your renewal notice into the U.S. Postal Service, or if we did mail it, we made a mistake, e.g., we used an incorrect, incomplete, or illegible address, which delayed its delivery to you before the due date for the renewal premium, then we will follow these procedures:

a. If you or your agent notified us, not later than 1 year after the date on which the payment of the renewal premium was due, of nonreceipt of a renewal notice before the due date for the renewal premium, and we determine that the circumstances in the preceding paragraph apply, we will mail a second bill providing a revised due date, which will be 30 days after the date on which the bill is mailed.

b. If we do not receive the premium requested in the second bill by the revised due date, then we will not renew the *policy*. In that

case, the *policy* will remain as an expired *policy* as of the expiration date shown on the *Declarations Page*.

4. In connection with the renewal of this *policy*, we may ask you during the *policy* term to re-certify, on a Recertification Questionnaire that we will provide you, the rating information used to rate your most recent *application* for or renewal of insurance.

I. **Conditions Suspending or Restricting Insurance.**

We are not liable for loss that occurs while there is a hazard that is increased by any means within your control or knowledge.

J. **Requirements in Case of Loss.**

In case of a *flood* loss to insured property, you must:

1. Give prompt written notice to us;
2. As soon as reasonably possible, separate the damaged and undamaged property, putting it in the best possible order so that we may examine it;
3. Prepare an inventory of damaged personal property showing the quantity, description, *actual cash value*, and amount of loss. Attach all bills, receipts and related documents;
4. Within 60 days after the loss, send us a proof of loss, which is your statement of the amount you are claiming under the *policy* signed and sworn to by you, and which furnishes us with the following information:
 - a. The date and time of loss;
 - b. A brief explanation of how the loss happened;
 - c. Your interest (for example, "owner") and the interest, if any, of others in the damaged property;
 - d. Details of any other insurance that may cover the loss;

- e. Changes in title or occupancy of the insured property during the term of the *policy*;
 - f. Specifications of damaged insured *buildings* and detailed repair estimates;
 - g. Names of mortgagees or anyone else having a lien, charge, or claim against the insured property;
 - h. Details about who occupied any insured *building* at the time of loss and for what purpose; and
 - i. The inventory of damaged personal property described in *J.3.* above.
5. In completing the proof of loss, you must use your own judgment concerning the amount of loss and justify that amount.
 6. You must cooperate with the adjuster or representative in the investigation of the claim.
 7. The insurance adjuster whom we hire to investigate your claim may furnish you with a proof of loss form, and she or he may help you complete it. However, this is a matter of courtesy only, and you must still send us a proof of loss within sixty days after the loss even if the adjuster does not furnish the form or help you complete it.
 8. We have not authorized the adjuster to approve or disapprove claims or to tell you whether we will approve your claim.
 9. At our option, we may accept the adjuster's report of the loss instead of your proof of loss. The adjuster's report will include information about your loss and the damages you sustained. You must sign the adjuster's report. At our option, we may require you to swear to the report.

K. Our Options After a Loss.

Options that we may, in our sole discretion, exercise after loss include the following:

1. At such reasonable times and places that we may designate, you must:
 - a. Show us or our representative the damaged property;
 - b. Submit to examination under oath, while not in the presence of another insured, and sign the same; and
 - c. Permit us to examine and make extracts and copies of:
 - (1) Any policies of property insurance insuring you against loss and the deed establishing your ownership of the insured real property;
 - (2) *Condominium association* documents including the Declarations of the *condominium*, its Articles of Association or Incorporation, Bylaws, and rules and regulations; and
 - (3) All books of accounts, bills, invoices and other vouchers, or certified copies pertaining to the damaged property if the originals are lost.
2. We may request, in writing, that you furnish us with a complete inventory of the lost, damaged, or destroyed property, including:
 - a. Quantities and costs;
 - b. *Actual cash values* or replacement cost (whichever is appropriate);
 - c. Amounts of loss claimed;
 - d. Any written plans and specifications for repair of the damaged property that you can make reasonably available to us; and
 - e. Evidence that prior *flood* damage has been repaired.
3. If we give you written notice within 30 days after we receive your signed, sworn proof of loss, we may:
 - a. Repair, rebuild, or replace any part of the lost, damaged, or destroyed property with material or property of like kind and quality or its functional equivalent; and

- b. Take all or any part of the damaged property at the value we agree upon or its appraised value.

L. No Benefit to Bailee.

No person or organization, other than you, having custody of covered property will benefit from this insurance.

M. Loss Payment.

1. We will adjust all losses with you. We will pay you unless some other person or entity is named in the *policy* or is legally entitled to receive payment. Loss will be payable 60 days after we receive your proof of loss (or within 90 days after the insurance adjuster files an adjuster's report signed and sworn to by you in lieu of a proof of loss) and:
 - a. We reach an agreement with you;
 - b. There is an entry of a final judgment; or
 - c. There is a filing of an appraisal award with us, as provided in *VIII.P.*
2. If we reject your proof of loss in whole or in part you may:
 - a. Accept such denial of your claim;
 - b. Exercise your rights under this *policy*; or
 - c. File an amended proof of loss as long as it is filed within 60 days of the date of the loss.

N. Abandonment.

You may not abandon damaged or undamaged insured property to us.

O. Salvage.

We may permit you to keep damaged insured property after a loss, and we will reduce the amount of the loss proceeds payable to you under the *policy* by the value of the salvage.

P. Appraisal.

If you and we fail to agree on the *actual cash value* or, if applicable, replacement cost of the damaged property so as to determine the amount of loss, then either may demand an appraisal of the loss. In this event, you and we will each choose a competent and impartial appraiser within 20 days after receiving a written request from the other. The two appraisers will choose an umpire. If they cannot agree upon an umpire within 15 days, you or we may request that the choice be made by a judge of a court of record in the State where the insured property is located. The appraisers will separately state the *actual cash value*, the replacement cost, and the amount of loss to each item. If the appraisers submit a written report of an agreement to us, the amount agreed upon will be the amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will set the amount of *actual cash value* and loss, or if it applies, the replacement cost and loss.

Each party will:

1. Pay its own appraiser; and
2. Bear the other expenses of the appraisal and umpire equally.

Q. Mortgage Clause.

The word "mortgagee" includes trustee.

Any loss payable under Coverage A—Building will be paid to any mortgagee of whom we have actual notice, as well as any other mortgagee or loss payee determined to exist at the time of loss, and you, as interests appear. If more than one mortgagee is named, the order of payment will be the same as the order of precedence of the mortgages.

If we deny your claim, that denial will not apply to a valid claim of the mortgagee, if the mortgagee:

1. Notifies us of any change in the ownership or occupancy, or substantial change in risk, of which the mortgagee is aware;
2. Pays any premium due under this *policy* on demand if you have neglected to pay the premium; and
3. Submits a signed, sworn proof of loss within 60 days after receiving notice from us of your failure to do so.

All of the terms of this *policy* apply to the mortgagee.

The mortgagee has the right to receive loss payment even if the mortgagee has started foreclosure or similar action on the *building*.

If we decide to cancel or not renew this *policy*, it will continue in effect for the benefit of the mortgagee only for 30 days after we notify the mortgagee of the cancellation or non-renewal.

If we pay the mortgagee for any loss and deny payment to you, we are subrogated to all the rights of the mortgagee granted under the mortgage on the property. Subrogation will not impair the right of the mortgagee to recover the full amount of the mortgagee's claim.

R. Suit Against Us.

You may not sue us to recover money under this *policy* unless you have complied with all the requirements of the *policy*. If you do sue, you must start the suit within one year of the date of the written denial of all or part of the claim and you must file the suit in the United States District Court of the district in which the insured property was located at the time of loss. This requirement applies to any claim that you may have under this *policy* and to any dispute that you may have arising out of the handling of any claim under the *policy*.

S. Subrogation.

Whenever we make a payment for a loss under this *policy*, we are subrogated to your right to recover for that loss from any other person. That means that your right to recover for a loss that was partly or

totally caused by someone else is automatically transferred to us, to the extent that we have paid you for the loss. We may require you to acknowledge this transfer in writing. After the loss, you may not give up our right to recover this money or do anything that would prevent us from recovering it. If you make any claim against any person who caused your loss and recover any money, you must pay us back first before you may keep any of that money.

T. Continuous Lake Flooding.

1. If an insured *building* has been flooded by rising lake waters continuously for 90 days or more and it appears reasonably certain that a continuation of this flooding will result in a covered loss to the insured *building* equal to or greater than the *building policy* limits plus the deductible or the maximum payable under the *policy* for any one *building* loss, we will pay you the lesser of these two amounts without waiting for the further damage to occur if you sign a release agreeing:
 - a. To make no further claim under this *policy*;
 - b. Not to seek renewal of this *policy*;
 - c. Not to apply for any flood insurance under the *Act* for property at the *described location*; and
 - d. Not to seek a premium refund for current or prior terms.

If the *policy* term ends before the insured *building* has been flooded continuously for 90 days, the provisions of this paragraph *T.1.* will apply as long as the insured *building* suffers a covered loss before the *policy* term ends.

2. If your insured *building* is subject to continuous lake flooding from a closed basin lake, you may elect to file a claim under either paragraph *T.1.* above or this paragraph *T.2.* (A "closed basin lake" is a natural lake from which water leaves primarily through evaporation and whose surface area now exceeds or has exceeded

one square mile at any time in the recorded past. Most of the nation's closed basin lakes are in the western half of the United States, where annual evaporation exceeds annual precipitation and where lake levels and surface areas are subject to considerable fluctuation due to wide variations in the climate. These lakes may overtop their basins on rare occasions.) Under this paragraph *T.2.*, we will pay your claim as if the *building* is a total loss even though it has not been continuously inundated for 90 days, subject to the following conditions:

- a. Lake *flood* waters must damage or imminently threaten to damage your building.
- b. Before approval of your claim, you must:
 - (1) Agree to a claim payment that reflects your buying back the salvage on a negotiated basis; and
 - (2) Grant the conservation easement contained in FEMA's "Policy Guidance for Closed Basin Lakes," to be recorded in the office of the local recorder of deeds. FEMA, in consultation with the community in which the property is located, will identify on a map an area or areas of special consideration (ASC) in which there is a potential for *flood* damage from continuous lake flooding. FEMA will give the community the agreed-upon map showing the ASC. This easement will only apply to that portion of the property in the ASC. It will allow certain agricultural and recreational uses of the land. The only structures that it will allow on any portion of the property within the ASC are certain simple agricultural and recreational structures. If any of these allowable structures are insurable *buildings* under the *NFIP* and are insured under the *PFIP*, they will not be eligible for the benefits of this paragraph *T.2.* If a U.S. Army Corps of Engineers certified *flood* control project or otherwise certified *flood* control project later protects the

property, FEMA will, upon request, amend the ASC to remove areas protected by those projects. The restrictions of the easement will then no longer apply to any portion of the property removed from the ASC; and

- (3) Comply with paragraphs *T.1.a.* through *T.1.d.* above.
- c. Within 90 days of approval of your claim, you must move your *building* to a new location outside the ASC. Underwriters will give you an additional 30 days to move if you show there is sufficient reason to extend the time.
 - d. Before the final payment of your claim, you must acquire an elevation certificate and a floodplain development permit from the local floodplain administrator for the new location of your *building*.
 - e. Before the approval of your claim, the community having jurisdiction over your *building* must:
 - (1) Adopt a permanent land use ordinance, or a temporary moratorium for a period not to exceed 6 months to be followed immediately by a permanent land use ordinance, that is consistent with the provisions specified in the easement required in paragraph *T.2.b.* above;
 - (2) Agree to declare and report any violations of this ordinance to FEMA and Underwriters so that under Sec. 1316 of the National Flood Insurance Act of 1968, as amended, *flood* insurance to the *building* can be denied; and
 - (3) Agree to maintain as deed-restricted, for purposes compatible with open space or agricultural or recreational use only, any affected property the community acquires an interest in. These deed restrictions must be consistent with the provisions of paragraph *T.2.b.* above, except that, even if a certified project protects the property, the land use restrictions continue to apply if the property was acquired under the Hazard Mitigation Grant Program or the Flood

Mitigation Assistance Program. If a non-profit land trust organization receives the property as a donation, that organization must maintain the property as deed-restricted, consistent with the provisions of paragraph *T.2.b.* above.

- f. Before the approval of your claim, the affected State must take all action set forth in FEMA's "Policy Guidance for Closed Basin Lakes."**
- g. You must have *NFIP* and/or *PFIP* flood insurance coverage continuously in effect from a date established by FEMA until you file a claim under this paragraph *T.2.* If a subsequent owner buys *NFIP* insurance that goes into effect within 60 days of the date of transfer of title, any gap in coverage during that 60-day period will not be a violation of this continuous coverage requirement. For the purpose of honoring a claim under this paragraph *T.2.*, we will not consider to be in effect any increased coverage that became effective after the date established by FEMA. The exception to this is any increased coverage in the amount suggested by your insurer as an inflation adjustment.**
- h. This paragraph *T.2.* will be in effect for a community when the FEMA Regional Director for the affected region provides to the community, in writing, the following:**
 - (1) Confirmation that the community and the State are in compliance with the conditions in paragraphs *T.2.e.* and *T.2.f.* above, and**
 - (2) The date by which you must have flood insurance in effect.**

U. Duplicate Policies Not Allowed.

- 1. We will not insure your property under more than one *PFIP* policy.**

If we find that the duplication was not knowingly created, we will give you written notice. The notice will advise you that you may choose one of several options under the following procedures:

- a. If you choose to keep in effect the *policy* with the earlier effective date, you may also choose to add the coverage limits of the later *policy* to the limits of the earlier *policy*. The change will become effective as of the effective date of the later *policy*.
- b. If you choose to keep in effect the *policy* with the later effective date, you may also choose to add the coverage limits of the earlier *policy* to the limits of the later *policy*. The change will be effective as of the effective date of the later *policy*.

In either case, you must pay the pro rata premium for the increased coverage limits within 30 days of the written notice. In no event will the resulting coverage limits exceed the permissible limits of coverage under the *Act* or your insurable interest, whichever is less. We will make a refund to you, according to applicable *PFIP* rules, of the premium for the *policy* not being kept in effect.

2. The insured's option under this Condition *U*. Duplicate Policies Not Allowed to elect which *NFIP policy* to keep in effect does not apply when duplicates have been knowingly created. Losses occurring under such circumstances will be adjusted according to the terms and conditions of the earlier *policy*. The *policy* with the later effective date must be canceled.

V. Loss Settlement.

1. Introduction

This *policy* provides three methods of settling losses: Replacement Cost, Special Loss Settlement, and *Actual Cash Value*. Each method is used for a different type of property, as explained in *a.-c.* below.

- a. Replacement Cost Loss Settlement described in *V.2.* below applies to *buildings* other than manufactured homes or travel trailers.
- b. Special Loss Settlement described in *V.3.* below applies to a *residential condominium building* that is a travel trailer or a manufactured home.

- c. **Actual Cash Value** loss settlement applies to all other property covered under this *policy*, as outlined in V.4. below.

2. Replacement Cost Loss Settlement

- a. We will pay to repair or replace a damaged or destroyed *building*, after application of the deductible and without deduction for depreciation, but not more than the least of the following amounts:
 - (1) The amount of insurance in this *policy* that applies to the *building*;
 - (2) The replacement cost of that part of the *building* damaged, with materials of like kind and quality, and for like occupancy and use; or
 - (3) The necessary amount actually spent to repair or replace the damaged part of the *building* for like occupancy and use.
- b. We will not be liable for any loss on a Replacement Cost Coverage basis unless and until actual repair or replacement of the damaged *building* or parts thereof, is completed.
- c. If a *building* is rebuilt at a location other than the *described location*, we will pay no more than it would have cost to repair or rebuild at the *described location*, subject to all other terms of Replacement Cost Loss Settlement.

3. Special Loss Settlement

- a. The following loss settlement conditions apply to a *residential condominium building* that is: (1) a manufactured home or a travel trailer, as defined in II.B.6.b. and c., and (2) at least 16 feet wide when fully assembled and has at least 600 square feet within its perimeter walls when fully assembled.
- b. If such a *building* is totally destroyed or damaged to such an extent that, in our judgment, it is not economically feasible to

repair, at least to its pre-damaged condition, we will, at our discretion, pay the least of the following amounts:

- (1) The lesser of the replacement cost of the manufactured home or travel trailer or 1.5 times the *actual cash value*; or
- (2) The *Building* Limit of liability shown on your *Declarations Page*.

c. If such a manufactured home or travel trailer is partially damaged and, in our judgment, it is economically feasible to repair it to its pre-damaged condition, we will settle the loss according to the Replacement Cost Loss Settlement conditions in V.2. above.

4. Actual Cash Value Loss Settlement

a. The types of property noted below are subject to *actual cash value* loss settlement:

- (1) Personal property;
- (2) Insured property abandoned after a loss and that remains as debris at the *described location*;
- (3) Outside antennas and aerials, awnings, and other outdoor equipment;
- (4) Carpeting and pads;
- (5) Appliances; and
- (6) A manufactured home or mobile home or a travel trailer as defined in *II.B.6.b.* or *c.* that does not meet the conditions for Special Loss Settlement in V.3. above.

b. We will pay the least of the following amounts:

- (1) The applicable amount of insurance under this *policy*;
- (2) The *actual cash value* (as defined in *II.B.2.*); or
- (3) The amount it would cost to repair or replace the property with material of like kind and quality within a reasonable time after the loss.

If we make a change that broadens your coverage under this edition of our *policy*, but does not require any additional premium, then that change will automatically apply to your insurance as of the date we implement the change, provided that this implementation date falls within 60 days before or during the *policy* term stated on the *Declarations Page*.

CLAIM GUIDELINES IN CASE OF A FLOOD

For the protection of you and your family, the following claim guidelines are provided by the National Flood Insurance Program (NFIP). If you are ever in doubt as to what action is needed, consult your insurance representative or call the NFIP toll-free at 1-800-638-6620. If you are Deaf/hard of hearing or have a speech disability and use relay services, call 711 from your TTY or use VRS to call 1-800-638-6620.

- Notify us or your insurance representative, in writing, as soon as possible after the flood.
- If you report to your insurance representative, remind him or her to assign the claim to an NFIP-approved claims adjuster. The NFIP pays for the services of the independent claims adjuster assigned to your claim.
- Determine the independent claims adjuster assigned to your claim and contact him or her if you have not been contacted within 24 hours after you reported the claim to your insurance representative.
- As soon as possible, separate damaged property from undamaged property so that damage can be inspected and evaluated.
- Discuss with the claims adjuster any need you may have for an advance or partial payment for your loss.
- To help the claims adjuster, try to take photographs of the outside of the premises showing the flooding and the damage and photographs of the inside of the premises showing the height of the water and the damaged property.
- Place all account books, financial records, receipts, and other loss verification material in a safe place for examination and evaluation by the claims adjuster.
- Work cooperatively and promptly with the claims adjuster to determine and document all claim items. Be prepared to advise the claims adjuster of the cause and responsible party(ies), if the flooding resulted from other than natural cause.
- Make sure that the claims adjuster fully explains, and that you fully understand, all allowances and procedures for processing claim payments on the basis of your proof of loss. This policy requires you to send us detailed proof of loss within 60 days after the loss.
- Any and all coverage problems and claim allowance restrictions must be communicated directly from the NFIP. Claims adjusters are not authorized to approve or deny claims; their job is to report to the NFIP on the elements of flood cause and damage.
- At our option, we may accept an adjuster's report of the loss instead of your proof of loss. The adjuster's report will include information about your loss and the damages to your insured property. You must sign the adjuster's report. At our option, we may require you to swear to the report.
