

FENCE AND LANDSCAPE EASEMENT AGREEMENT

This Fence and Landscape Easement Agreement (this "Agreement") is entered into this 14th day of July, 2022 by and between the Aperture Homeowners Association, Inc. ("Aperture") and the Town of Crested Butte, Colorado, a Colorado home rule municipality (the "Town"). Each of the foregoing is referred to herein as a "Party" and collectively as the "Parties."

I. Recitals

- A. Aperture and the Town entered into a "Landscape Maintenance, License, and Easement Agreement" dated November 1, 2018, and recorded at reception number 657206 of the records of the Gunnison County Clerk and Recorder ("November 1, 2018 Agreement").
- B. Under the November 1, 2018 Agreement and other agreements, Aperture and Cypress Foothills, LLP agreed to construct a River Trail along the west bank of the Slate River. Aperture also constructed a fence between the River Trail and the Town's public works yard (the "Fence"), and constructed berms, retaining walls, buffers, and landscaping and irrigation for the landscaping associated with and adjacent to the River Trail ("Landscaping"). The location of the River Trail and the Fence is shown on **Exhibit A**.
- C. Construction of the River Trail, Fence, and Landscaping is almost completed, and these improvements are located largely on Town property adjacent to the Town's public works yard. Paragraph 2 of the November 1, 2018 Agreement contemplates that the Town will grant Aperture an easement allowing Aperture to cross, over, and through Town property for the purpose of, and to the extent necessary, to allow Aperture to perform any and all necessary or prudent maintenance or repairs of the Fence and the Landscaping (the "Easement"), following the boundary line adjustment between the Town's public works yard and the East Parcel where the Aperture subdivision is located, and the formal annexation by the Town of the West Parcel. All of these events have occurred.
- D. The November 1, 2018 Agreement also states that Aperture will be responsible for maintaining and repairing the Fence and Landscaping. The purpose of this Agreement is for the Town to actually grant the easement contemplated by Paragraph 2 of the November 1, 2018 Agreement.
- E. Aperture believes that entering into this Agreement is in the best interests of its lot owners and the Aperture subdivision because the aesthetic benefits of the Fence and Landscaping are intended to benefit Aperture lot owners as well as the public at large.

II. Agreement

NOW THEREFORE, in consideration of the foregoing recitals, the mutual promises, grants, and other provisions set forth below, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

1. *Easement.* The Town hereby grants and conveys an easement to Aperture across, over, and through Town property adjacent to and through the Town's public works yard, as further identified on **Exhibit A** for the purpose of, and to the extent necessary, to allow Aperture to perform any and all necessary or prudent maintenance or repairs of the Fence and the Landscaping (the "Easement"). Aperture shall provide the Town with reasonable notice prior to using the Easement, which notice shall be at least 24-hours in advance of accessing Town property pursuant to the Easement. Further, Aperture shall coordinate with the Town to ensure that Aperture's use of the Easement does not unreasonably interfere with operations on the Town's public works yard or cause any safety risks to Aperture's agents, Town employees, or the public. The scope of the Easement shall allow the use of heavy equipment where such equipment is necessary to properly maintain or repair of the Fence or Landscaping. If Aperture needs to close the River Trail in order to do any repairs or maintenance, Aperture will erect adequate signage informing trail users of its repair and maintenance operations during the time such operations are being conducted. The Easement shall be recorded in the Office of the Gunnison County Clerk and Recorder
2. *Limited and Non-Exclusive Easement.* The Easement is limited in its scope to what is expressly set forth above in paragraph 1 above. No expansion of the Easement is permitted. The Easement is non-exclusive. The Town reserves the right to use the servient estate to the Easement for any and all purposes that are consistent with the Easement.
3. *Revegetation and Restoration.* Immediately following any surface disturbance caused by, or resulting from, the exercise of the Easement, Aperture shall restore the surface estate to substantially the same condition as it was in prior to the surface disturbance, including revegetating and restoring any disturbed areas as well as ensuring that the surface topography is not altered by the exercise of the Easement. The term "surface disturbance" includes, without limitation, all dirt work and excavation and all other activities that result in the destruction, removal or damage of vegetation in place on Town property at the time of such activity.
4. *Cooperation; Other Documentation; Instruments.* If necessary, the Parties shall reasonably cooperate with each other in order effect the transactions contemplated in this Agreement. The parties shall give, enter into, execute and approve such additional agreements, corporate approvals, and instruments as are necessary and appropriate to effect such transactions.
5. *Authority.* The person executing this Agreement on behalf of each Party does hereby covenant and warrant that such person is duly authorized and has full right and authority to enter into this Agreement and that the person signing on behalf of each Party is authorized to do so.
6. *Waiver of Defects.* In executing this Agreement, the Parties waive all objections they may have over defects, if any, in the form of this Agreement, the formalities for

execution, or over the procedure, substance or form of the resolutions adopting this Agreement.

7. *Supplemental Agreement.* This Agreement supplements and clarifies the terms of the November 1, 2018 Agreement regarding the "Future Easement" to be granted per Paragraph 2 of the November 1, 2018 Agreement.
8. *Modification.* This Agreement shall not be amended or modified, except by subsequent written agreement of the Parties approved by resolutions of the Town Council.
9. *No Waiver.* A waiver of any right or remedy on any one occasion shall not be construed as a bar to or waiver of any such right or remedy on any other occasion.
10. *General Release.* It is expressly understood that the Town cannot be legally bound by the representations of any of its elected officials, officers, employees, agents, representatives and attorneys or their designees, except in accordance with Town ordinances, the Code and the laws of the State of Colorado, and that Aperture, when dealing with the Town, acts at its own risk as to any representation or undertaking by the Town, its elected officials, officers, employees, agents, representatives, and attorneys or their designees, which is subsequently held unlawful by a court of law; provided, however, this paragraph shall not be construed to limit the rights and remedies of the Parties otherwise provided by law, including under equitable doctrines such as estoppel.
11. *Notices.* Any notice or other information required by this Amendment to be sent to a Party shall be sent by facsimile, e-mail, overnight courier or certified mail to the following:
