Coverage under this policy will follow the insuring agreement, terms, exclusions, definitions, and conditions of the Directors And Officers Liability (Condominiums, Co-Ops, Associations) Endorsement as applied to the Businessowners Coverage Form and any applicable state amendatory endorsements on the “underlying insurance” policy except the definitions of “ultimate net loss” and “underlying insurance” which are defined in the Commercial Liability Umbrella Coverage Form provided that:

1. This insurance applies only if a “claim” is first made during the policy period;
2. This insurance does not apply to any liability which occurs prior to the Retroactive Date specified in the underlying Directors And Officers Liability (Condominiums, Co-Ops, Associations) Endorsement;
3. This insurance does not apply to liability arising out of any prior litigation, demand, circumstance or situation which has been the subject of any written notice given under any similar insurance or is pending as of inception of this policy;

### **UNIMPAIRED AGGREGATE ENDORSEMENT**

This endorsement modifies insurance provided under the following:

#### **COMMERCIAL LIABILITY UMBRELLA COVERAGE PART**

The underlying aggregate limit(s) of all “underlying insurance”, where applicable, shall be unimpaired at the beginning of the policy period of this policy shown in the Declarations and, for the purposes of this policy, only “occurrences” taking place during the policy period of this policy shall be considered in determining the extent of any exhaustion of such underlying aggregate limits(s).

This endorsement does not change any other provision of the policy.

#### **EXAMPLE**

The “underlying insurance” is a Businessowners policy that is effective 11/1/2018-10/31/2019 with a \$1,000,000 aggregate limit.

The Commercial Liability Umbrella policy is effective 1/1/2019-12/31/2019.

There was a \$300,000 loss on 11/15/2018. Because this loss occurred before the effective date of the Commercial Liability Umbrella policy, the loss would not be considered in determining the exhaustion of the “underlying insurance” for the umbrella policy period.

There was a \$900,000 loss on 2/1/2019. Because this loss occurred during the Commercial Liability Umbrella policy period, the loss would be considered in determining the exhaustion of the “underlying insurance”. This would leave \$100,000 of additional loss that would need to be incurred prior to the umbrella being affected.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

## EXCLUSION OF OTHER ACTS OF TERRORISM COMMITTED OUTSIDE THE UNITED STATES; CAP ON LOSSES FROM CERTIFIED ACTS OF TERRORISM

This endorsement modifies insurance provided under the following:

### COMMERCIAL LIABILITY UMBRELLA COVERAGE PART

**A. The following exclusion is added:**

This insurance does not apply to:

#### **TERRORISM**

"Any injury or damage" arising, directly or indirectly, out of an "other act of terrorism" that is committed outside of the United States (including its territories and possessions and Puerto Rico), but within the "coverage territory". However, this exclusion applies only when one or more of the following are attributed to such act:

1. The total of insured damage to all types of property exceeds \$25,000,000 (valued in US dollars). In determining whether the \$25,000,000 threshold is exceeded, we will include all insured damage sustained by property of all persons and entities affected by the terrorism and business interruption losses sustained by owners or occupants of the damaged property. For the purpose of this provision, insured damage means damage that is covered by any insurance plus damage that would be covered by any insurance but for the application of any terrorism exclusions; or
2. Fifty or more persons sustain death or serious physical injury. For the purposes of this provision, serious physical injury means:
  - a. Physical injury that involves a substantial risk of death; or
  - b. Protracted and obvious physical disfigurement; or
  - c. Protracted loss of or impairment of the function of a bodily member or organ; or
3. The terrorism involves the use, release or escape of nuclear materials, or directly or indirectly results in nuclear reaction or radiation or radioactive contamination; or

4. The terrorism is carried out by means of the dispersal or application of pathogenic or poisonous biological or chemical materials; or
5. Pathogenic or poisonous biological or chemical materials are released, and it appears that one purpose of the terrorism was to release such materials.

With respect to this exclusion, Paragraphs 1. and 2. describe the thresholds used to measure the magnitude of an incident of an "other act of terrorism" and the circumstances in which the threshold will apply for the purpose of determining whether this exclusion will apply to that incident.

**B. The following definitions are added:**

1. For the purposes of this endorsement, "any injury or damage" means any injury or damage covered under any Coverage Part or underlying insurance to which this endorsement is applicable, and includes but is not limited to "bodily injury", "property damage", "personal and advertising injury", "injury" or "environmental damage" as may be defined in any applicable Coverage Part or underlying insurance.
2. "Certified act of terrorism" means an act that is certified by the Secretary of the Treasury, in accordance with the provisions of the federal Terrorism Risk Insurance Act, to be an act of terrorism pursuant to such Act. The criteria contained in the Terrorism Risk Insurance Act for a "certified act of terrorism" include the following:
  - a. The act resulted in insured losses in excess of \$5 million in the aggregate, attributable to all types of insurance subject to the Terrorism Risk Insurance Act;

- b. The act resulted in damage:
- (1) Within the United States (including its territories and possessions and Puerto Rico); or
  - (2) Outside of the United States in the case of:
    - (a) An air carrier (as defined in Section 40102 of title 49, United States Code) or United States flag vessel (or a vessel based principally in the United States, on which United States income tax is paid and whose insurance coverage is subject to regulation in the United States), regardless of where the loss occurs; or
    - (b) The premises of any United States mission; and
- c. The act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.
3. "Other act of terrorism" means a violent act or an act that is dangerous to human life, property or infrastructure that is committed by an individual or individuals and that appears to be part of an effort to coerce a civilian population or to influence the policy or affect the conduct of any government by coercion, and the act is not a "certified act of terrorism".
- Multiple incidents of an "other act of terrorism" which occur within a seventy-two hour period and appear to be carried out in concert or to have a related purpose or common leadership shall be considered to be one incident.
- C. The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorism exclusion, do not serve to create coverage for injury or damage that is otherwise excluded under this Coverage Part.
  - D. If aggregate insured losses attributable to terrorist acts certified under the federal Terrorism Risk Insurance Act exceed \$100 billion in a calendar year and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

Thank you for insuring with American Family Insurance. This notice provides you with important information about the Terrorism Risk Insurance Program Reauthorization Act of 2019. Please read the information below about the Act and notify American Family if you wish to change your previous decision regarding acceptance or rejection of the coverage for certified acts of terrorism.

## **Some Background**

On Nov. 26, 2002, President Bush signed the Terrorism Risk Insurance Act into law, which requires insurance carriers to make coverage available to policyholders for losses due to "certified acts of terrorism". This Act has been reauthorized since then, and the latest reauthorization occurred in December of 2019 when President Trump signed the Terrorism Risk Insurance Program Reauthorization Act of 2019 into law. The most recent reauthorization extends the current program through December 31, 2027.

As an American Family customer, you have the right, under the recently reauthorized Act, to purchase insurance coverage for losses resulting from "certified acts of terrorism", which are defined as: any act that is certified by the Secretary of the Treasury, in consultation with the Secretary of Homeland Security and the Attorney General of the United States, to be an act of terrorism. The criteria contained in that law for certifying an act of terrorism includes the following:

- The act is a violent act or an act that is dangerous to human life, property or infrastructure;
- The act results in aggregate property and casualty insurance losses in excess of \$5 million; and
- The act is committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

## **Further Explanation**

Where coverage is provided under the Act for losses resulting from "certified acts of terrorism", such losses may be partially reimbursed by the United States Government as established by the Act. You should also understand that your policy may contain exclusions (not part of the Act) that might affect your coverage. For example, if a "certified act of terrorism" occurs and results in damage that you're not covered for under other portions of your policy, the terrorism coverage may not apply to the loss because you need to have underlying coverage to qualify for a "certified act of terrorism" loss covered by the Act.

You should also be aware that the reauthorized Act contains a \$100 billion cap that limits United States Government reimbursement as well as insurers' liability for losses resulting from "certified acts of terrorism" to \$100 billion per calendar year. What this means is, if the combined insured losses for all insurers exceeds \$100 billion, your coverage may be reduced due to the cap.

Per the Act, the United States Government generally reimburses 80% of covered terrorism losses exceeding the statutorily established deductible paid by American Family Insurance. The premium charged for this coverage is provided below and does not include any charges for the portion of loss that may be covered by the Federal Government under the Act.

## Disclosure Of Premium

Your premium for "certified acts of terrorism" coverage for your renewal term is found on the enclosed renewal information. The premium is based on the coverages you have selected and your renewal premium.

### TERRORISM INSURANCE COVERAGE OPTIONS

Our records indicate you previously elected to purchase coverage for "certified acts of terrorism" for the policy referenced on the enclosed renewal information. If you wish to continue receiving this coverage, you do not need to do anything, and the coverage will be extended throughout the renewal term of your policy.

- A. Checking the box below;
- B. Signing this notice; and

**I do not wish to purchase coverage** for "certified acts of terrorism." I understand that as a result, an exclusion for losses caused by acts of terrorism will be made part of this policy.

(Exception: If we send you a new disclosure form after your policy's effective date, and you wish to change your election, we will endorse your policy to reflect your new coverage election.)*

Dear Policyholder:

Thank you for choosing American Family for your insurance needs. We value your business and want to make you aware of an important exclusion that applies to your new Commercial Liability Umbrella policy.

A review of your current policies indicates that we do not provide you with Employers Liability coverage. Employers Liability coverage is usually provided under a standard Workers Compensation policy. The Commercial Liability Umbrella policy automatically excludes Employers Liability coverage unless there is an underlying Insurance policy that provides the coverage. Therefore, your new Umbrella policy will exclude Employers Liability Coverage.

We will consider rescinding this decision if you can provide us, prior to the renewal date, proof of Employers Liability coverage with us or another carrier with limits at least equal to, or greater than:

- \$500,000 Bodily Injury By Accident, Each Accident
- \$500,000 Bodily Injury By Disease, Each Employee
- \$500,000 Bodily Injury By Disease, Policy Limit

If you have any questions with regards to this matter, please feel free to contact your agent or us. Your continued interest in American Family is appreciated.
