Subject: Petition to Call Special Meeting of the Members

September 22, 2025

Board of Directors and Toad Management -

In accordance with the Association's governing documents and applicable state law, including **C.R.S. §38-33.3-310**, the undersigned members representing at least twenty percentage (20%) of the voting interests in the Grand Lodge Crested Butte Resort Condominium Association and the Grand Lodge Crested Butte Resort Condominium Association II hereby submit a **Petition to Call a Special Meeting of the Members**.

The purpose of this Special Meeting is to address the following agenda items:

1. Board Presentation of Reasoning and Supporting Documentation of Resort/Impact Fee

Require the Board to present, a full explanation of the reasoning, financial data, and deliberative process that led to the imposition of the "Resort/Impact Fee,". Including any and reserve studies, budget forecasts, future capital projects and funding needed for the projects and meeting records that were considered.

2. Owner Input and Discussion for Alternative Solutions for Funding Projects

Provide an open forum for owners to ask questions, offer comments, and propose constructive alternatives for funding reserve requirements and upcoming capital projects. Discussion should include commissioning an updated reserve study, evaluating regular assessment adjustments, different additional structures for collecting income or other transparent and equitable funding mechanisms for any budgeted shortfalls.

3. Reversal of the Currently Imposed "Resort/ Impact Fee"

In accordance with **C.R.S. §38-33.3-308(2)(d)**, which requires that agendas for Board meetings be made "reasonably available" to members prior to such meetings, we note that the fee/vote in question was not included on multiple agendas and not made available in advance by management.

Because Board members are prohibited from voting on or taking action regarding matters not properly noticed on the agenda (except in true emergencies), the adoption of this fee/action is invalid and requires immediate reconsideration by the membership.

4. **Vote Regarding the Reversal of the Imposed “Resort/Impact Fee”**

Membership vote to rescind and reverse the Boards’ late-2023 decision to impose the “Resort/Impact Fee” as it currently stands.

5. **Vote on Prohibition of Similar Future Fees**

Members will vote to **direct that no new resort, impact, or other similar special fees of comparable type, purpose, or effect may be imposed in the future** unless and until (a) full written notice is given to all members in accordance with **C.R.S. §38-33.3-308(2)(d)** and the Association’s governing documents, and (b) the proposal receives **affirmative approval by a majority of the membership** at a duly called owners meeting.

We respectfully request that the Board schedule this Special Meeting within the 30 day statutory timeframe and provide written notice to all members specifying the date, time, place, and agenda of the meeting as required by law and the Association’s governing documents.

For your records, please find the signed petition attached.

Thank you for your prompt attention to this matter. We look forward to your confirmation of receipt and the scheduling of the Special Meeting.

Thank you

Kristin Goforth
